Aqua Center to Open Memorial Day

City Clean, Say Leaders; Invite Check

Opening Day, Prizes Free To Residents

Antioch's Aqua Center will open at 1 p.m. Tuesday with an afternoon of swimming and programming which officials of the sponsoring Lions Club predict will be the gayest on record.

Feature attraction will be free swimming for all comers. An added bonus is planned for the youngsters in the form of free sno-cones and thousands of coins which will be tossed into the pool hourly in what is billed as a true "treasure hunt."

Prizes and awards will be given out during the afternoon, Lions officials announced today.

Qualified life guards will be on duty Tuesday and during all swimming periods throughout the season.

Registration for season passes and swimming lessons can be made at the pool and with most merchants. Mornings will be devoted to swimming lessons under qualified Red Cross trained instructors.

Open swimming will take place each afternoon and evening.

Family memberships covering parents and two children under 18 are \$20; additional children on family membership, \$2 each; single membership \$10.

A full schedule will be announced here next week.

Friends Pay Tribute to Fred Swanson

Funeral services were held at 1:30 p.m. yesterday in Joliet for Fred B. Swanson, 71, of 479 Naber, prominent resident, who died Friday in Victory Memorial Hospital, Waukegan.

Fellow Masons, business acquaintances and friends paid tribute to the movie theater executive and prominent member of Masonic organizations, who lay in state at Strang's in Antioch Saturday and Sunday, at a chapel in Chicago on Monday and Tuesday, and at the Scottish Rites Cathedral in Chicago from Wednesday morning until final ceremonies.

Mr. Swanson had undergone surgery last June to have a battery-powered, heart-pumping device installed in his body. He died of a heart ailment.

He was born Dec. 15, 1889 in Stockholm, Sweden, and was brought by his parents to this country the next year. The family settled in Joliet. He had lived in Gary, Ind., before moving to Antioch 36 years ago.

Before his retirement he had owned theaters in Antioch, Savanna, Joliet, McHenry, Evanston and Gary.

He was a 33d Degree Mason and member of Gary Lodge 677 F & AM; Gary Chapter 139 Royal Arch Masons; Waukegan Commandery 12; Red Cross Constantine Premier 1; Scottish Rite Body, Valley of Chicago; board of directors, Scottish Rite Cathedral Association of Chicago.

He was a life member, Medinah Temple, Chicago; Royal Order of Justice, Court 48; honorary member Sequoit Lodge 827 AF & AM; Siloam Council 53, Royal and Select Masters of State of Illinois; Lake County Shrine Club; honorary Legion of Honor, International Supreme Council of Order of DeMolay; Millburn Booster Club, DeMolay; Waukegan Swedish Glee Club; life member Gary Elks Lodge.

He held other high posts in Masonic organizations and was active in activities of the Order of the Rainbow for Girls.

Surviving are his widow, Alma; two brothers, William N., Joliet, and Oscar T., Lockport; and a sister, Mrs. John Harrington, Birmingham, Ala.

The Rev. Wallace Anderson conducted religious services at Strang's on Sunday evening.

Interment was in Elmhurst cemetery, Joliet.

Merchants to Clothe Help in Civil War Garb

Behind this foliage rests Bill Vos

Village business houses and personnel will revert to the mid-60's under a program being pushed by Civil War Centennial planners. The "turning back of the clock" for the commemoration June 23-25 was indicated by reports that more than 125 merchants and business houses have joined in the costume program for the event.

During the three-day festival participating businesses will garb personnel in various costumes representative of the Civil War period—calicos and bustles for the ladies, string ties, swallow tail coats and soldier uniforms for the men.

The program is being pushed by Stanley Toton, president of the Chamber of Commerce, who is being assisted by Mrs. C. R. Keulman in arrangements for the costumes. Those desiring to participate, should contact them.

Meanwhile, buttons signifying freedom from beard-growing sprouted around town as various males paid for the privilege of shaving.

This, however, is not deterring many who have vowed to forego shaving until beards are judged June 25.

One such stalwart is Bill Vos, who threatens to rival Commander Whitehead for sheer luxury of facial growth.

This reporter has tried manfully to sustain a showing, but having failed, is now in the midst of selling one of the Gaston brothers on formally entering the contest. This particular fellow has an admirable growth all year around, and shaves only when departing for his weekly shopping tour.

SATURDAY IS POPPY DAY

Members of the American Legion and the Auxiliary will sell hand-crafted poppies Saturday in the annual benefit for disabled veterans and their families. See official proclamation on page 2.

ATHS Names Key Speakers For Ceremony

Dr. Victor Ricks, associate professor of education and head of teacher education, University of Illinois, Chicago, will present the commencement address at outdoor graduation ceremonies for Antioch Township High School Monday, June 5.

Dr. Ricks, of Oak Park, Ill., is a graduate of the University of Missouri, and has taught in elementary schools in Columbia, Mo., Stephens College and the U. of Missouri, both in Columbia. He served as a visiting professor at Fresno (Calif.) State College, and as special professor in education at College of Dentistry, U. of Illinois.

Title of his talk will be "Make Believe or Reality."

In disclosing the commencement program, Albert L. Dittman announced that Brian Elliott and Emily Reichenbach are valedictorian and salutatorian, respectively.

Brian Elliott is the son of Mrs. Ruth Elliott, Depot St., Antioch, and Emily is the daughter of Mr. and Mrs. Carl Reichenbach, Rt. 1, Antioch.

Both students have achieved high academic records during their high school careers.

Brian is the recipient of a four-year scholarship awarded by Northern Illinois Gas Co. He has been an honor student all of his four years of high school and has been active in club work and in student government. He was co-captain of the basketball and track squads.

Emily is on the National Honor Society, has served four years in the GAA and has been active in club and choral groups. Her outside activities include work with 4-H clubs and Girl Scout groups.

Commencement ceremonies will begin at 8 p.m. June 5 on the athletic field.

The Rev. Robert Prinzing, Lakeland Baptist Church, will deliver the baccalaureate address at 8 p.m. Sunday, June 4, in the high school auditorium. Title of his address will be "Beliefs Are Important."

EDWARD J. FELBER, astride Tempo, his favorite mount, will lead the famed Black Horse Troop in the Memorial Day parade here Tuesday.

Black Horse Troop, Local Units in Memorial Parade

The traditional Memorial Day parade in honor of the nation's war dead will move off promptly at 1:30 p.m. Tuesday, it was announced today by American Legion Post No. 748, sponsoring organization.

Paced by the famed Black Horse Troop of Medinah, the two units parade will move from assembly areas through the main part of town for afternoon services at the Little League park.

"A" section of the parade will consist of the colors, escorted by Legion, Veterans of Foreign Wars, Fire Department, Legion Auxiliary,

Set Dates for Swim Registration Here

Registration for the first session of swimming lessons at the Antioch Aqua Center will be held Wednesday, Thursday and Friday, June 7, 8 and 9, at the pool, from 10 a.m. to 2:30 p.m. Registration blanks will be passed out at the schools this week.

Lesson schedule: First session—starts Monday, June 12 for five weeks, ending July 15.

Second session—starts Monday, July 24, ends August 26. Registration for the second session will be announced later.

For further information, call Mrs. Charlotte Queen, at Antioch 2669, between 11 a.m. and 1 p.m.

LIONS CLUB OUTING

and Moose, the Antioch High School Band, and automobiles containing village officials, Gold Star Mothers and Gold Star Sisters.

This unit will assemble at 1:10 p.m. at the IGA parking lot, and will move off at 1:30 p.m.

Section "B", consisting of grade school bands, Boy Scouts, Sea Scouts, Girl Scouts, Cubs and Brownies, and other marching units, will assemble at 1:45 p.m. at the high school. This unit will move out at 1:45 p.m. and will join section "A" at 2 p.m. at the corner of Harden and Main St.

The combined units will proceed up North Main to the park for special services.

High point in parade activities will be the appearance of the 35-mount troop under command of Edward J. Felber, up on Tempo, said to be the only dancing horse in the country.

This famed mounted unit is composed of business and professional men, who, as members of Medinah, devote their spare time perfecting precision mounted drill for display on special occasions and benefits.

3 Injured in 3-Car Mishap on Rt. 173

Three persons were injured, none seriously, last Thursday in an accident involving three cars on Rte. 173 east of Antioch.

Injured were George E. Bryant, 78, 7920 - 18th Ave., Kenosha; Lydia Bryant, 72, same address; and Alfred J. Zamsky, 60, 1012 - 54th St., Kenosha. All were treated at the clinic.

According to the report, Bryant was turning left off Rte. 173 after proceeding east, and was struck by an auto driven by Zamsky, who was traveling west. The impact spun Bryant's car causing it to collide with one driven by John Uedell, 43, RFD 2, Antioch, who was driving east behind Bryant.

License Crackdown

In a crackdown on violators, the Drivers License Division, office of Secretary of State Charles F. Carpenter, has suspended the license of Val H. Bauer, Rt. 2, Antioch, for three offenses.

Other drivers in the area affected by latest state action are: Joseph J. Marchioro, 1612 N. Round Lake, Round Lake, and Lee Roy J. Veesenmeyer, Rt. 2, Long Lake, license suspended for three violations.

SPECIAL LUNCHEON

There will be luncheon available for shoppers at the Rummage and Bake Sale Friday, in Wesley Hall of the Antioch Methodist Church.

The sale, sponsored by the Women's Society of Christian Service, will begin at 9 a.m.

Mayor Murrill Cunningham and the authorities of the Village of Antioch, in a direct statement to The Antioch News, have taken particular exception to the unfavorable publicity given the Village by Attorney General Robert F. Kennedy.

In testimony last week before a House Judiciary Committee, Kennedy testified that "a person who is now the subject of intensive investigation has been allocated a portion of Antioch, Illinois, for the conduct of gambling."

The Mayor and Chief of Police have branded this statement as false.

The police reports of the Village, as a result of regular inspections, show that there is absolutely no gambling being carried on in this Village, they said. Furthermore, the mayor and chief of police invite any resident of this Village, or any investigating officer, to make an inspection of the public places in Antioch for any evidence of gambling operations, Cunningham said.

"In order to defend our community and its residents from such unwarranted and unfavorable publicity, the mayor in a communication with Attorney General Kennedy expressed his displeasure and that of the entire Village to such statements being made to the detriment of our upstanding community," the mayor told the Antioch News today.

In testimony last week in support of legislation to curb organized crime and racketeering, Kennedy charged a race wire service had been provided through the area. He charged that the person allocated a portion of Antioch for gambling "has apparently trained his housemen in Kenosha before sending them to Antioch to run the gambling operations."

Disavowals of gambling in Antioch and the county also came from Chief Deputy Sheriff Charles Larson and Asst. State's Atty. Jack Hoogasian.

Larson said that neither he nor Sheriff Floyd Hughes of Kenosha County knew a thing about the matter.

"Apparently Mr. Kennedy has information we do not have," Larson told the press. "We would appreciate knowing who this person is."

No names were given in Kennedy's charges of gambling in the area.

\$13,865 Bid Wins Athletic Field Project

Leo Fox Construction Co. of Antioch has been awarded contract to develop the athletic field of Antioch Township High School.

Award was made by the school board to the local firm on the basis of its low bid of \$13,865. High bid of the five bidding firms was \$21,350.

Under study are seven bids for construction of a bus garage ranging from \$15,998 to \$22,500. An eighth bid was rejected because of failure to meet requirements.

The spread in bidding on the garage is the result of bidding on different types of construction.

A committee comprising Dr. Richard Ripley, Boyd Osmond and Robert Denman, board president, will compare types and determine the most feasible before proceeding with the bid award.

In other action, the board awarded contract for bond of Mrs. Helen Nelson, school treasurer, to Lumberman's Mutual Casualty on its bid of \$521.01.

Other business at last week's meeting included appointment of Milburn Cain, Robert Denman and Mrs. Margaret Moorman, secretary, to prepare the 1961-62 budget for consideration; adoption of an improved calendar coordinated with programs in Lake Villa and Antioch Grade Schools; and re-employment of Ruth Nicholson, to teach English. Miss Nicholson formerly taught at the high school and resigned to obtain her master of science degree at Northwestern University.

A review of building plans for the \$995,000 addition with architect Gilbert Johnson, of Rockford, is scheduled for this week.

AHS Honors Night Awards

More than 150 students of Antioch Township High School were presented with special awards Tuesday evening at the annual ATHS Honors Night program.

The awards were presented for outstanding scholastic achievement and contributory service to high school organizations.

The Honors program traditionally is set aside for recognition of students and presentation of school awards which have not been covered in awards made previously at ceremonies periodically throughout the school year.

The program was introduced by William Bonner, who explained the significance of Honors Night.

The following awards were presented:

American Legion—Boy's State to Robert Krieger; Medal Awards to

Emily Reichenbach and Brian Elliott, presented by William Lahti and David Kulken;

American Legion Auxiliary—Girl's State, presented to Judy Veldova by Mrs. Joseph Horton.

Antioch Woman's Club—Outstanding Senior Girl, Karen Lightsey; outstanding senior boy, Brian Elliott; conservation camp, Stanley Sutherland; music scholarship—band, Cheryl Galati; music scholarship—chorus—James Cain; art scholarship—Cindy Brenna, presented by Mrs. Albert Wiegart.

DAR Award—presented to Karen Lightsey.

EDITORIAL

An Appeal to Reason

As Sheriff Norris C. Froelich warns in this personal appeal to all motorists, the automobile is a lethal weapon, as dangerous in careless hands as a loaded firearm.

The four-day Memorial Day weekend heralds the start of the vacation months and the season when bloodletting on the nation's highways reaches its zenith.

By conservative estimates, more than 400 people will die on the open road this weekend. Thousands more will be maimed or injured.

Sheriff Froelich is convinced the traffic toll can be reduced and he is determined that it shall be in Lake County. Here is what he has to say:

As the Memorial Day Weekend approaches, I am seeking the aid of all motorists, boaters and pedestrians to lend their assistance and help reduce traffic accidents during the holidays. This can be done by paying close attention to traffic laws and by observing speed limits.

I am doubling my uniform patrols on the highways and the Water Patrol over this Holiday. All patrol members will be instructed to be on the alert for violators. He will be especially watching for the drunken driver. Also, the unthinking driver who recklessly careens down a highway at the wheel of a speeding car, disregarding entirely, the rights, the property and lives of his fellowman. He is no longer by any stretch of the imagination, a reputable citizen.

With your hands on the steering wheel of your car it is the same as having your finger on the trigger of a loaded gun — both can kill and injure.

On the threshold of another summer season, again I make a sincere appeal to all motorists to exercise common courtesy and respect for the other motorists on the highways.

It is not enough for each individual driver to merely look out for himself and his passengers; but he has the added responsibility of maintaining proper driving attitude, consideration for the rights of others, and keeping himself in good physical condition by avoiding fatigue and the use of alcohol.

With the congested traffic conditions both on the highways and on the waterways of Lake County, every facility will be used on land, in the water, and from the air to assure as many people as possible an enjoyable holiday.

The driver who commands the respect of his friends is the driver who takes pride in his method of applying brakes.

The Lake County Sheriff's Office will do everything in its power to help make this a Safe Holiday — we need your cooperation!!!!

Watch Out for the Children

Two youngsters were injured when struck by cars on Main Street this past week.

Fortunately, both accidents resulted in but minor injuries.

This can be attributed to alertness of drivers and the restricted speed zones in which the mishaps occurred.

They could have been worse.

This fact, however, can be of but small consolation to parents who now must look ahead to the vacation period when their youngsters will be exposed to the hazards of the road all day rather than in just going to and from school.

We don't know of a home, a church or a school where a regularly planned program of child safety is not practiced in one form or another.

This is as it should be.

But how long can a youngster retain the tenants of safe conduct when his mind is filled with thoughts of that next popsicle, the Little League game or the numberless other thoughts of the young?

Education of children on safety and the dangers of the highway must be a continuing thing.

But the burden of responsibility now and in the future must continue to rest on the shoulders of the motorist. He is the one who must provide for those temporary lapses in young judgment.

A child usually doesn't get a second chance against an auto.

Attacking the Tax

If memory is correct, it was Mark Twain who said, "Everyone talks about the weather but no one does anything about it."

And thus it is with taxes.

Well, there are taxes and there are taxes, and none seems to make the blood boil more than personal property taxes.

However, a group of Lindenhurst residents are determined to do something about it.

The group met earlier this week in Lindenhurst and have scheduled a meeting for 2:30 p.m. Sunday at the Indian Hill Social Club, Rollins and Grubb Hill Roads. The group asks for popular support and pledges continued activity until personal property is eliminated, amended or otherwise altered.

The group is being assisted in organization and procurement of tax data ammunition to back their cause by Carl Cheevers, Island Lake, Ill., president of the Taxpayers and Voters League, and Mrs. Viola Slaughter, chairman of the Round Lake branch of the organization.

Their cause is a worthy one and we wish them well.

Your State Senator Reports

By State Senator Robert McClory
Promises to oppose the Governor's proposed increases of the sales tax and corporation franchise tax add up to so much idle chatter unless the members of the Illinois General Assembly eliminate the need for these added taxes.

In the case of the sales tax the Governor's proposal would result in a sales tax of 4½%—the highest sales tax rate in the nation. With respect to the corporation franchise tax, the new rate proposed by the Kerner administration is six times the present rate.

Republicans and many Democrats have expressed themselves in opposition to these two healthy tax bites. As Senator from the 52nd Senatorial District comprised of Lake, McHenry and Boone Counties, all of which border Wisconsin (which has no sales tax), the decision to oppose the sales tax increase is self-evident. Other Senators and Representatives whose districts adjoin Wisconsin, Iowa, Missouri, Kentucky and Indiana have joined together to fight the sales tax boost.

Representative Ralph Stephenson who hails from Rock Island, which is just across the Mississippi River from Iowa (with a 2% sales tax rate), has organized these members into the "Border Brigade." Your

State Senator was recently inducted into the ranks of this militant group.

The Kerner budget is more than \$629 million higher than the last Republican budget. Of this, \$345 million is the public building bond issue approved last November. The additional \$284 million has to come from new or added taxes, in order to avoid the sales tax boost it will be necessary to cut the budget by approximately \$100 million. That, in effect, is the challenge confronting the Republican majority in the Illinois Senate and the Bipartisan Border Brigade.

During the coming weeks, appropriation bills will be scrutinized carefully. New jobs and additional expenses of every kind will be pared. Amendments to reduce departmental expenses will be offered for approval. The need for technical assistance from taxpayer groups is of utmost importance. Citizen support was never more urgently needed.

The Republican record for victory in 1962 can be written in Springfield during the next six weeks. The Illinois General Assembly has the opportunity here and now to demonstrate that it still controls the purse strings and that the purse does not contain unlimited funds.

Letters to The Editor

Dear Sir: I was very pleased to see your recent issue with the column "All About Babies." I believe that many young mothers will benefit from this information, and even those, like myself, whose children are not babies any more will derive some pleasure from the column.

I do hate to complain right at the first about the content of this column, as I suppose the doctor who answered the questions is a good, qualified authority. But sometimes a mother learns a few more things about babies through personal contact, than the most learned doctor does in all his studies.

I am referring to the answer to the question, "Is it necessary to burp baby?" This article answered, "For the first few weeks," and I certainly feel sorry for any baby whose mother reads this and believes it. From experience, I truly believe that burping is necessary for at least six months, and can save many a tummy ache for the little ones and many waking hours for the parents if they will continue to "burp" the baby until he is through taking bottles, at any rate. Aside from this little complaint, I like this column, and will be looking forward to reading more of the same.

Sincerely,

(Name withheld on request).

SIDELIGHTS from SPRINGFIELD

By Rep. PAUL SIMON

The gambling bill which has received most of the headlines has been the bingo proposal, with some attention to a proposal to license dog tracks in the state; but the gambling measure which will cause the biggest fight before its passage or defeat is one calling for outlawing of a certain type of pinball machine which is used for gambling almost exclusively.

The two bills which will outlaw this particular type of pinball machine were introduced in the Senate by Senator Robert McClory of Lake County. They have passed the Senate and now face a fight in the House for passage.

Two years ago the bills passed after a bitter fight—only to be vetoed by Governor Stratton. Newspapers around the state were unanimous in criticizing Stratton for that action.

The bill does not affect most pinball machines. It does affect the one-ball machines which record the number of games you win on a special little device. This provides a basis for a payoff. The proprietor, through a special lever, cancels the winning games after the payoff. Experts say you can spend money more rapidly on this type of machine than you can on a slot machine.

The federal courts have ruled it is a gambling device, as far as federal regulations are concerned.

Owners must buy a federal gambling stamp. But the state courts have ruled that it is not necessarily a gambling device and therefore not necessarily illegal.

After studying the experience of other states with this type of device, it seems clear that outlawing this type of pinball machine is in the public interest.

Unfortunately, everything that is in the public interest does not automatically pass.

Two years ago the opposition fought the measure strenuously and the bill did not pass until the final hours of the session—only to be vetoed a few days later.

House committee meetings will be held on these senate bills soon. It will be apparent then how much opposition the gambling gentry can muster against the bill.

Almost every type of state and national group interested in law enforcement and decency in government have endorsed legislation of this kind.

The bingo bill and the dog bill will continue to grab the headlines, but when the vote is taken, in all likelihood both will be soundly defeated.

The outcome of the McClory bills, outlawing the gambling type of pinball machine, is not so certain.

It's the type of bill citizens interested in good government should watch with more than casual interest.

PROCLAMATION

Whereas, many citizens of the Village of Antioch served gallantly in the defense of their country, the United States of America, in World Wars, and many sacrificed their lives during that service, and Whereas, the memory of those who died will be held in the highest honor of Antioch community, and will always be a source of patriotic inspiration for us all, and

Whereas, the memory is brightened each year by honor paid to the war dead by the wearing of the memorial day poppy during the day of Saturday, May 27th, 1961, now,

THEREFORE, I, Murrill Cunningham, President of the Village of Antioch, do hereby proclaim the above dates as scheduled by the American Legion, Department of Illinois, to be known as "Poppy Day" in Antioch and urge the citizens of the community to observe the dates by the wearing of the "POPPY".

Signed in person, this 2nd day of April, 1961, at Antioch, Illinois, County of Lake and State of Illinois.

President, Board of Trustees of Antioch, Illinois

Courthouse Notebook —

BY LOU DURKIN

The Lake County Civic League is doing a fine thing in giving long overdue recognition to public officials who perform a meritorious service in protecting the pocketbooks of the taxpayers in Lake County, but it would be interesting to learn the manner in which they have gone about in selecting their nominees for the inaugural Jack E. Sams Award.

Two of the nominees for the award, Supervisor Joseph P. Welch, of Cuba Township, and Assistant Supervisor Frank B. Peers, of Deerfield Township, are members of the county board who appear to be almost direct opposites in their approach to board problems.

Supervisor Welch has been more noted for his long speeches on economy than for his direct action and voting on the same subject.

It is normal for Supervisor Welch to give lip service to economy and to wage a verbal fight for appearances sake, but he can usually be found among those voting "Aye" on any matter that is going to cost money unless it appears that the subject under discussion will benefit some other part of the county more than it will the southwest corner of Lake County.

This, of course, makes him very popular in Cuba Township, but limits his value as a representative of the entire county.

Supervisor Peers presents a more liberal and progressive image to the board, supporting projects and programs that are going to make Lake County a better place in which to live even if it means spending more money.

It's probably only a coincidence, but Supervisor Peers is not given to long speeches setting himself up as a "watchdog of the treasury."

State Representative W. J. Murphy, of Antioch, is another nominee for the Sams Award and will probably be more deserving of it at the end of this term of the legislature than perhaps he has been thus far because with a Democratic administration in the saddle in Springfield he can be counted on to regard all expenditures with a jaundiced eye.

Rep. Murphy's long suit in the legislature has been more in line with guarding "home rule" and keeping out the influence of the great outside world than seeing that the taxpayers of Illinois receive full protection.

Automatic opposition to expenditures does not necessarily make a supervisor or legislator a good representative of the people unless he follows up his opposition with positive steps to eliminate unnecessary spending and waste.

Speaking of Rep. Murphy, we wonder if his opposition to a state park lodge would have been as strong if it had been located in the Chain O'Lakes Park where we think it would have better served the people of the state.

Rep. Murphy's suggestion that the handsome new lodge at Illinois Beach State Park be sold seems like an expensive way to get out from under a "white elephant."

A review of the operation, which has had few good reports, and an effort in the legislature to provide for the opening of a cocktail lounge to increase its appeal, might be more advisable at this time.

Somehow we can't envision any reputable hotel operator bailing out the state at anywhere near the cost of the building.

Two isolated incidents reported in the papers last week will probably raise a new hue and cry about athletics and sports for youngsters.

One was the report of the death of a nine-year-old Little League ball player which was followed by a recommendation from the Illinois State Medical Society that organized athletics be banned for children under the 10th grade.

The medical recommendation coming on the heels of the tragic death of the Little Leaguer could well stampede parents and educators into eliminating small-fry sports which we think would be an even greater tragedy.

You can't build a wall around kids and there is less chance for them to get hurt when they are playing under supervision and with proper equipment than there is when they are on their own.

Windows Today Easier to Wash

Give a thought to future window washing when you choose windows for remodeling an old house or building a new one. Windows of ponderosa pine are available today in many styles and types that make washing windows less of a chore and much safer.

Some models have sash that can be lifted out of the frame for easy washing inside the house. Others—such as many casement, awning and hopper styles—open so that both sides of the glass can be cleaned from inside.

These innovations do away with dangerous ladder-climbing and bucket-hauling. By making window washing easier, they also encourage cleaning windows more often, resulting in a better, neater-looking house inside and out.

FASHION BOARD.—To help select fall styles in young ladies footwear, Shoes by George called upon this group of high school students to coordinate with footwear representatives. Kneeling, left to right are Suraya Brook, Judy Vejvoda and Lee Nelson. Seated are Julie Lightsey, Jan Latham, Phyllis Kopriva, Judy Turner and Diane Jaros.

Student Fashion Board Guides Shoe Experts in Selection of Footwear

Eight young ladies of Antioch Township High School will have a say in determining fashions in ladies' footwear here this fall.

George Hawkins, owner of Shoes by George, has "gone to the mountain" in efforts to determine what the younger set prefers in colors, heel heights and shapes, toe shapes and overall styling. He has formed a fashion board of eight young ladies of Antioch Township High School.

The board consists of Judy Vejvoda, Lee Nelson, Julie Lightsey, Jan Latham, Phyllis Kopriva, Judy Turner, Diane Jaros and Suraya Brook.

The eight students have held two conferences with Paul Mutschnick, Life Stride representative, at which they studied, discussed and examined color combinations, styling and appearance.

At the conclusion of the two evening sessions, the girls voted for their selections.

Their decision forms the basis on which Shoes by George will order and display fall footwear.

THE SENTINEL

My Father was growing a beard. But he cut it off. I don't know if Mommy is going to dress up. I think Daddy is growing another beard I hope he is. Beards are scratchy But that is O.K. I still like them. I wish I could grow a beard. They are so nice. I love them. I am going to dress up like the old men and ladies. The war lasted about 4 years what a long time.

I wish my father would grow a beard for the centennial and then we are go to dress up. It was a long fight it started in 1861 and it was over at 1865 and they were very glad that they one the war.

THE END

Bradley Smith

Way back a long time ago in 1860 there was a war. The Civil War. It was a dreadful thing fighting agents the South. It took 4 years to get over it. Finly when we won the war the south decied they were going to stick with us. It wasn't going to be South and North. So insted they stuck with us. Then we all went together to make the United States. So we all stuck very close. And now June 23, 24, 25, we will celebrate the Antioch Centnel Celebration. It will be so much better than fighting. And the men, ladies, children maybe will partisapate in it. The men have beards, ladies have flowing dresses and the children will be very old. I think that probably there will be covered wagons. Right now I can see bugles, very faint far, far away.

THE END

P. S I can here them because I am very much attached to the Civil War.

I think if fathers and mothers were walking down the street going to the prrade with beards and old fashon dresses on. If I was a negarow and they tried to bring me across the seas to make me be a slave I would not like to be myself. I don't think I am going to see the prade. I would like to see the mothers and fatherrrs wereing there costoms in the prade.

Susan Moran

MY bother was grow a beard for the Centenyal his name is Denney and everybody will dress like the selfwar on people diad in the selfwar and they had guns to fit my father was in the 3 word war.

Mike Horton

My mother is helping in the store to get redy for the sentinel. My partents are trying to fiks the store up for the sentinel. My father is growing a berd. My Uncle Jack is growing a berd too. So does my Uncle Chuk have a berd too. I can not help. I wish there was something for me to do.

ANTIOCH CENTENNEL CELEBRATION

We are going to have a Centenel. Are folks are going to be dressed up. I know a man and his name is Bruno. He is going to be dressed up.

My mother and father are going to wear some folks clothes. They are going to dress up. I would like to be in it. I know another may and its Mr. Meyer. He is going to be in the Centenel. Idhope they will get a prize. My father isn't growing a beard but I don't care. I would like to see my mother and father dressed up. I bet they would look funny. I just can't wait.

The Centenel is a good United States to stick together. I hope alot of folks get a prize. I wish

DEATH NOTICES

DELLA I. MATHEWS

Funeral services were held Friday for Della I. Mathews, 61, 724 Pacific Ave., Waukegan, former resident of Antioch, who died May 17 in Victory Memorial Hospital.

She was born Sept. 26, 1879 in Wilmet, and subsequently lived in Burlington and Silver Lake. She moved to Lake Villa in 1909, and to Antioch in 1914. She had made her home with her son, Floyd E., at the Waukegan address since 1958.

Her husband, Oliver C., died Mar. 13, 1953. He was retired and a former agent for Sinclair Oil Co. in Antioch.

In addition to her son, survivors include three sisters, Mrs. Mary (Paul) Ganslin, Wilmet; Mrs. Sarah (Madison) Ballantyne, Lead, S. D.; and Mrs. Etta (Ernest) Moysa, Tampa, Fla., three grandchildren and one great-grandchild.

Services were held at 3:30 p.m. Friday from Strang's, with the Rev. Wallace Anderson officiating. Interment was in Wilmet.

FLORENCE G. HERRON

Funeral services were held at 9:30 a.m. today for Mrs. Florence G. Herron, 58, Salem, who died Sunday morning in St. Catherine's Hospital, Kenosha, following a three-month illness.

The deceased was born April 28, 1905, in Chicago and lived there until she moved to Salem in 1932. She was a member of Antioch Chapter 735, Women of the Moose.

Survivors include her husband, Arthur J., partner in Herron's Mink Ranch in Salem; a brother, Walter Schana, Chicago; and two sisters, Mrs. Lillian Lawn and Mrs. Theresa Hinley, also of Chicago.

Services were held from Strang's Funeral home to St. Peter's Church at 10 a.m.

LE ROY M. DIBBLE

Le Roy M. Dibble, 59, 7702 27th Ave., Kenosha, died Tuesday at St. Catherine's Hospital, Kenosha, after a four-day illness.

The son of Mr. and Mrs. Albert Dibble, the deceased was born June 29, 1901, in Kenosha. When an infant, the family moved to Antioch where he lived until 1923, then moved back to Kenosha.

On June 3, 1923, the deceased was married to Agnes M. White. He was employed by the Wisconsin Electric Power Co., as an electrician. He was a member of St. Matthew's Episcopal Church, the EMBA, and the International Brotherhood of Electrical workers, Local No. 494.

His widow survives, as do three sons, Donald of East Troy, Wis., and Richard and Thomas, of Kenosha; nine granddaughters; his mother, Mrs. Jessie Dibble of Frankfort, Ind.; and three brothers, Lester and Elmer, of Kenosha, and Earl, of Frankfort, Ind.

His father preceded him in death in 1947.

Friends may call at Hansen's Funeral Home, 6019 7th Ave., Kenosha, after 4 p.m. today, until 9 a.m. Friday morning. Memorials will be accepted for the church.

Services will be held Friday, May 26, at 10 a.m. at St. Matthew's Episcopal Church with burial in Union Cemetery, Hickory.

300 Mile Race Key Attraction At SCCA Outing

A feature sports car race of 300 miles for "production" cars will be the stellar attraction June 18 at Road America's International June Sprints at Elkhart Lake, Wis.

The Sunday feature, slated for 1 o'clock, will be doubly unusual in that it will be for stock (showroom) model cars in addition to its 300-mile length. Production cars of Classes A, B, C, D, and E rating will be on the grid for this grueling test of 75 laps around the twisting four mile Road America road course.

The potent modified cars of Classes B, C, D, E, F, and G will race 100 miles (25 laps) starting at 11 a.m. on Sunday.

In addition to the 400 miles of competition on Sunday, another 220 miles of action is slated for Saturday's program, June 17. With a 2 o'clock starting bomb, the first race of 100 miles will be for F, G, H, I, and J production cars and H modified models; a 100-mile will then follow immediately afterwards for formula junior speedsters; with vintage cars going 20 miles in the climax to the day's activities.

Practice will be held from 9 a.m. to 1 o'clock on Saturday, from 9 a.m. until 10:30 on Sunday.

The racing weekend has been given national sanction and is sponsored by the Chicago Region of the S.C.C.A.

Keno Opener May 27

The appearance of Rep. W. J. Murphy, Antioch, and Kenosha County Councilman Russell Olson will mark the opening of the Lake Keno softball league Saturday in Trevor.

Scheduled to appear at 8 p.m. opening activities are the girls' marching troop of Lake Villa, the VFW Kadettes and Shiek Abdul and his Harvey.

In the league opener, the Emerson club will meet Joe's Tap.

Grant Edges Panthers to Stay on Top

Grant's Bulldogs put on a three-run rally in the top of the seventh last week at Round Lake to nudge the Panthers 7-6 and retain their tie for first in the Northwest Suburban Conference race.

Grant now boasts an 11-2 record and is locked with Grayslake. The Bulldogs worked two hits, a walk and three Panther miscues in their seventh inning uprising.

Coast Guard Team Begins Duty on Chain of Lakes

United States Coast Guard has begun operations on the Chain O' Lakes. Engine Chief Edward J. Sitariski is assisted by three men, Edward M. Volek, EN 2, William J. Miller, BM 3 and Jerome B. Cook, BM 2.

The four men headquarter in a cottage near the Lakeview hotel on Arthur ave., in Fox Lake, where they prepare their own meals and live by shipboard regulations.

This is full time duty and the men work throughout the week to inspect boats for safety equipment and certificates of registration of all boats with more than 10 horsepower motors.

Chief Sitariski reported 4,744 boats were inspected during the 1960 boating season. The Coast Guard patrol issued 615 violation tickets to boat operators for lacking proper safety equipment, lack of certificate of registration and for not displaying their numbers.

Eighty-five boats in distress were assisted. These assist cases involved several boat accident cases.

The group now on the lakes has just completed extensive schooling in public relations and cooperation methods with local police departments.

Scouts Take Golf Crown

Lake Forest captured the Northwest Suburban league golf crown last week by amassing a total of 339 points to 356 for Grayslake, defending champions.

Following the Scouts and Rams in conference scoring were Elmhurst, 387; Warren, 361; Antioch, 369; Grant, 413.

Buss Gaines, meet medalist, pointed the way with an 81, and was assisted by teammates Henry Nisbet, 84; Charles Recchini, 86; and Kari Hjelt, 88.

Tied for low gross with 84's were Nisbet, Dick Rockenbach of Grayslake, and John Skroupa of Ela-Vernon.

Rockenbach took runner-up in a playoff and Nisbet copped third.

Warren Golfers Down Grayslake

Warren prep golfers closed their season with a 5-5 record by downing Grayslake 7-3 at Gurnee last week.

Lowell Dixon scored a 37 to gain medal honors, his sixth win Low for Grayslake was Dick Rockenbach with a 40. Other Warren scorers were Lew Skoff and Wayne Tienhaara, with two each.

Grayslake scorers were Jim Garland and Jim Ellingson, 1½ each.

Board Approves Two New School Buses

SALEM, Wis.—In preparation for next semester, the board of education of Central High School voted to purchase two conventional 67-passenger buses on a bid basis. The board also awarded the Speedway Co. of Kenosha the contract to paint three school buses.

Principal A. H. Erickson reports staff requirements almost complete at this time.

Also under study is installation of larger capacity equipment in the cafeteria. Fluorescent lighting will be installed in the all-purpose room.

Emmons Graduation Scheduled Monday

Preparations have been completed for the eighth grade graduation exercises May 29 at 8:00 p.m. at Emmons Grade School in Antioch.

The graduates are: Marjorie Feris, Randy Gordon, Ralph Kovach, Bruce Price, Stanley Revell, Elaine Sodman, and Joan Tanner.

W. C. Petty, Lake County Superintendent of Schools will give the principal address. The songs selected to be sung by the eighth grade are "Without a Song" and "Faith Can Move Mountains" with accompaniment by Miss Olive Dobson.

The Rev. Wallace Anderson, of the Antioch Methodist Church, will give the invocation and benediction.

The graduating class will leave May 31 for a two day tour of the State Capitol at Springfield. On June 2, they will go to Chicago for a visit to the museums and River-view Park. Funds for the trip were earned by the graduating class in various projects through the school year.

Activities for the school year end with the school picnic Monday, June 5, on the school grounds.

School Secretaries Host County Dinner

Antioch Grade School secretaries played host to 110 Lake County school secretaries last Thursday night, at the George Diamond Country Club.

An informal workshop was held after dinner, followed by a talk on the exceptional child by John Jessup, speech correctionist for the Antioch grade schools.

The evening's entertainment was provided by George Olsar on the trumpet with Mrs. Margaret Aschenbrenner as his piano accompanist.

Mrs. Marcia Palmer was chairman for the dinner with help from her two co-workers, Mrs. Virginia Dotson and Miss Marie Greslik.

Waukegan Firm Wins Bid for School Work

By Mrs. Pearl Kapell

CHANNEL LAKE—Ames Brothers of Waukegan has been awarded the contract for the building of the addition on the Channel Lake school.

Ames Brothers submitted the low bid of \$51,301.00. Other bids submitted were: Herbert Ruesch, \$52,714.00; William Vos, \$53,937.00; Ray

Boy, 13, Hurt When Bike, Truck Collide

Joseph Huber, 13-year-old Antioch Grade School pupil, suffered slight injuries to his right knee last Friday when a bicycle on which he was riding struck a car on North Main.

Joseph, son of Mr. and Mrs. Anthony Huber, Rt. 2, Box 463 BA, was riding north on the east sidewalk of Main on his way to school when his bicycle struck a truck emerging from the alley at 889 N. Main.

The boy swerved his bike toward the street, but was unable to avoid the impact. After the accident he continued for a few feet and then fell on the curb. The Rescue Squad took him to the clinic.

X-rays showed no fractures and he was taken home. Driver of the truck was Lloyd F. Stoxen of Wilmet.

Nordstrom, \$54,390, and Neis Quist, \$60,134.00.

Work on the addition to the school is expected to start when school is out in June. The addition will include a gymnasium, stage, kitchen and two washrooms.

Mary Chase, secretary of the board, announced that five of the six teachers employed at the school have signed contracts for next year.

See 87 Boost in AHS Enrollment

Student enrollment at Antioch High School will approximate 187 next fall according to advance registration. This will be an increase of 87 over present enrollment.

The freshman class, with 264, is expected to be the largest class.

In announcing the increase, it was pointed out that the expected boost will mean an increase in the teaching staff.

All present staff members contracts have been negotiated and an instructor in German and another in English are yet to be added, according to A. L. Dittman, principal.

New teachers include Della Tronchuk, Milwaukee, former teacher at Clarion, Ia., who will instruct vocal music; and Diane Busch, DeSota, Mo., who will become librarian.

According to Newsweek, Americans will spend more money on or because of the four-year Civil War centennial than the \$9 billion the North and South spent to fight the war itself. Advertisers are finding Civil War "tie-ins" for everything from frozen foods to jet planes as the centennial, with malice toward none and souvenirs for all, nears its shooting stage.

Academic Honor
Students Named
At Grant High

Academic Honor students for the 1961 Grant High School graduating class have been released by Superintendent Wade L. Eberly.

Co-valedictorians are Michael Howard and Sandra Miodinski. Michael Howard, son of Mr. and Mrs. Clarence M. Howard, has worked as an associate member of the school newspaper staff and has been a member of the Future Teachers of America Club.

Sandra Miodinski is the daughter of Mr. and Mrs. Henry R. Miodinski. She has participated in many school activities including the Future Teachers of America Club of which she is president, the National Honor Society, the Thespians, as Grant representative at Girls State. She has received the DAR Good Citizen Award.

Sandra plans to attend Monmouth College in Monmouth, Ill. Kenneth Flaks, salutatorian, is the son of Mr. and Mrs. Carl R. Flaks. He has served his class as president during 1961. He was the 1960 Boys State representative and a member of the National Honor Society.

He is president of the student council and has served a term as treasurer of the Northwest Suburban Conference Association of Student Councils.

He participated in football, basketball and baseball, and is being considered as a prospective student at the Merchant Marine Academy, Kings Point, N. Y.

Standards of Credit

The Antioch Township High School has been continued in membership in the North Central Association of Colleges and Secondary Schools, and has been accredited by that organization, according to word received this week by the board of education and high school officials. Antioch High School has been accredited by the Association since 1935.

Teacher Wins Science Grant

The University of Rochester (N. Y.) announced today the award of a National Science Foundation grant to Elmo W. Edwards, physics teacher at Antioch Township High School, for advanced study at the University of Rochester Summer Institute in Physics.

Designed to "contribute to the teacher's effectiveness in performing the challenging task of teaching physics well," the University of Rochester Summer Institute will emphasize basic concepts in physics, along with modern developments and viewpoints in optics, physics, astronomy and mathematics.

Edwards is one of 40 physics teachers in the United States chosen

for the award from among 250 applicants.

From a Wall Street Journal editorial on the financial troubles of the multi-billion dollar federal highway program: "...the simple truth of the matter is that this enormously expensive road system is required not for the pleasure driver but industry; the highway is a road-bed for truck transportation exactly as a rail line is for the railroads. But the railroads have had to not only build and maintain their own roadbeds, but in addition are taxed in every county, town and hamlet for the privilege of bringing freight and passengers into the community."

Twenty-six million fence posts are used annually in Illinois.

Trucker Injured When Load Shifts

LAKE VILLA—Robert C. Doyle, 21, Buena Park, was injured last

week here when he was pinned in his panel truck by a shift in cargo. The injured man told deputies he was slowing down when the load shifted, pinning him against the

steering wheel. The accident occurred at Rts. 21 and 120. He was extricated from the truck by the Grayslake rescue squad and taken to St. Therese.

Grayslake Defeats Antioch to Take Crown

8-2 Victory Drops Locals To 6th Place

The defending conference champion Grayslake baseball squad captured the crown again by defeating Antioch 8-2 at Grayslake Tuesday.

The victory gives the Rams a 12-2 overall record. Grant, looked in a first-place tie with Grayslake at the start of the evening, went down before the Elavon Bears 11-3, dropping to second with an 11-3 won-loss record.

Elavon's win places them in a tie for third with Round Lake who defeated Wauconda 5-1. Both have 8-3 records.

Antioch's loss combined with Lake Forest's 6-5 victory over Warren places the three squads in a tie for sixth with 4-10 won-loss records.

Wauconda wound up fifth with a 4-9 overall record. Antioch, weak at the plate in previous games, was able to solve Williams for seven scattered blows and scored the first earned run the lefty has given up in 29 innings.

Grayslake jumped off with four in the first when Denman, experiencing control trouble, walked the first three men, who scampered home on a sacrifice and a clean single to center that went for a homer on a fluke bounce.

Grayslake fashioned four more runs in the fourth when Antioch committed five errors.

Lakeland Little League Opens In A Large Way

The Lakeland Little League opened their 1961 season Monday, May 15, with a 3 game schedule involving their six teams.

The Pirates served notice to the rest of the league that they are the team to beat this year as they pounded out a 11-0 victory over the White Sox, who were last year's champions. Ricky Wayne's grand slam home run was the big blow of the game. Wayne also had three other hits to make it 4 for 4 for the game. Gary Hilbert had three singles also and he pitched the win for the Pirates, allowing only 1 hit while striking out 14. Johnny Pauli and Tommy Thompson each had 2 singles to assist the Pirates in their bombardment of the Sox.

The Yankees edged the Braves at Silver Lake by a score of 7-3. Jim Williams and Allie Luke shared pitching duties for the Yankees and held the Braves to just 2 hits, both triples—one by Dennis Busch, and the other by Greg Hoffman. Denny Williams had a single to drive in two runs for the Yankees. Jim Williams was the winning pitcher.

The Orioles romped over the Cubs by a score of 20-5 as Ricky Sarbacker and George Sobotka each had 3 hits, one of Sobotka's being a home run. Murphy Huston of the Cubs had two triples to lead his team at the plate. Sobotka also was the winning pitcher for the Orioles.

Modifieds to Race At Waukegan Oval

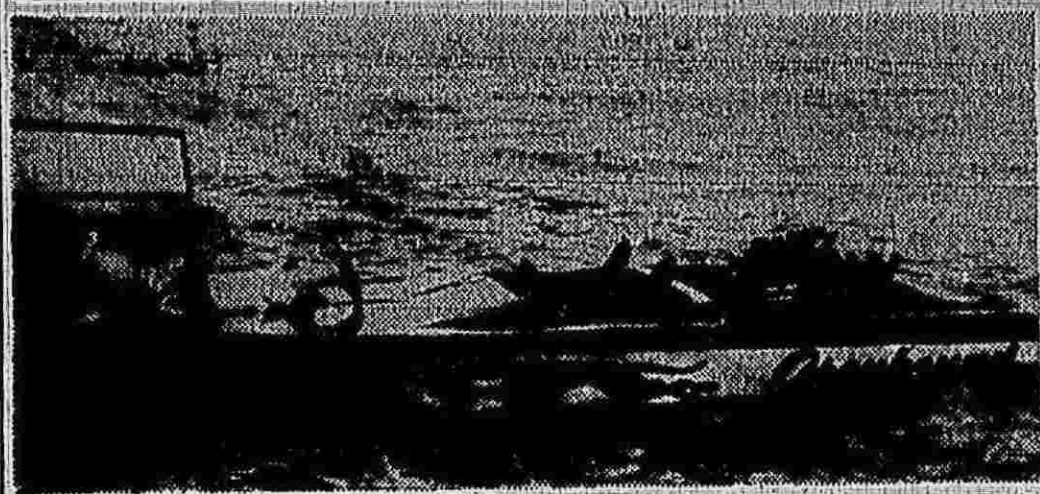

Next Sunday the modifieds will have their third go at the Waukegan oval. Another large field of cars and drivers is expected to participate and track manager Mike Kaishian is hoping for a weather break in order that a full program can be held to a comfortable crowd.

Time trials will start at 7:15 with the first of the racing getting under way at 8:30. The amateur drivers will be back with their strictly stock automobiles for another round of slaughter.

Top modified drivers expected to be on hand include Bay-Darnell, Ted Rosinski, Jack Frost, Bob Karry, Eddie Stillman, Greg Krieger and Jack Radtke.

The speedway is located on West Washington Street, between the Green Bay Road and the Skokie Highway.

Kents of Lakes ports

LOU PORTALSKI, Channahon, relaxes on the prow of Greyhound after winning the SK class event in the first speed boat races of the season Sunday at Fox Lake. Lou is an old hand at winning and last year was second high in points throughout the nation, according to the American Power Boat Association system. Rough water kept speeds down at the Mineola Hotel racing course. Jim Thompson, Ingleside, won the 135 cu. in. hydro class in his Out Boy. The next race on the local course will be run June 25.

Top Drivers From Six States To Compete At Union Grove

The Great Lakes Dragaway, Union Grove, Wis., will hold its first major event of the year, the "Midwest Championship" drag races, this coming Memorial Day weekend, May 27, 28, 29 and 30. This event will bring together the top dragging machines from six states in the mid-west area.

The States, and the respective state champions, competing in this regional meet will be: Illinois, represented by the "Guzzler," ranked No. 2 in the A/Gas dragster class, and now driven by Bud Roche of Chicago. Representing Wisconsin will be "Percussion," second nationally ranked class B/Fuel dragster driven by Pete Farnsworth, of Milwaukee. Indiana will be represented by the "Bubble Buster," a very powerful class A/Fuel dragster, driven by Jim Russel of Hammond. From Minnesota will be the well known "Minnesota Missile," a top class A/Gas dragster, driven by the very capable driver, Bob Stevens from Minneapolis. The fifth state to be represented will be Michigan. Connie Kallita of Detroit will be driving his fourth nationally ranked class A/Gas dragster known as "Comination." Last but not least, from Akron, Ohio, will be Walt Artons driving the powerful "Green Monster" the top speed holder of all types of drag racing machines.

These machines are all in the 170 to 190 mph bracket, and turn the 1/4 mile in under 10 seconds from a standing start. They are all rated in the top 30 in the nation, with 4 being in the top 10 in their respective classes.

There will be many second and third place machines entered from each state including a twin-engine dragster. The unique "Speedcraft Special" from Maywood, Ill., driven by Bob Gardella, has turned a top speed of 186 mph in 8.69 seconds and is ranked number two in Illinois. This machine is powered by two special-built Buick engines mounted side by side that have a total of 934 cubic inches and develop 1000 horsepower.

The national champion in a full bodied machine will be defending his title against some of the best in the country. John Forstka, with his class A/Fuel coupe has turned 153.62 mph top speed, with his fabulous "Fiat," powered by a 404 cu. inch supercharged Chrysler engine. All these machines are equipped with parachutes.

Among the 250 to 300 machines that will compete, perhaps the oddest and most fascinating, is Walt Artons' "Green Monster." This dragster is powered by a Panther Jet-aircraft engine and has achieved a top speed of 241 mph for the 1/4-mile in Miami. With its long, barrel-like body, and dragon faced front end, it appears almost as hideous as it is loud, due to the terrific noise of the big jet engine. Flames shoot out about 20 feet, even before it starts to move and the heat will burn anything flammable that gets behind it. At the speed of 241 mph, at least 1 to 1 1/2 miles of stopping distance is required, even with the use of four wheel, spot brakes and a parachute. This is due to the weight of the monstrous jet engine and afterburner.

With the installation of a complete lighting system, this meet will introduce "night drags" at the Union Grove drag strip. Saturday, May 27, and Monday, May 29, will be evening affairs, with races starting at 8 p.m.

Sunday, May 28, and Tuesday, May 30, Memorial Day, will both be afternoon meets with races starting at 2 p.m.

Time trials start 5 hours prior to the races, all 4 days as each day is

a complete separate meet.

Starting with this Saturday, races will be held every Saturday night thereafter, starting at 8 p.m., until Labor Day. Racine will also continue Sunday afternoons as in the past, starting at 2 p.m.

The track is located 12 miles north of the Wisconsin-Illinois line, Hwy. 45, at Union Grove, Wis.

KEN TRUELSEN, Antioch track star, displays the form that has made him one of the top hurdlers in the state. Ken holds the best time in the country for the 100 yds with a 19.3 and came in third last weekend in Champaign. Shin splints have slowed down the Sequoia speedster in recent weeks.

Present Awards To ATHS Athletes

Varsity letters and monograms will be awarded to high school athletes at a special afternoon assembly May 31, at the high school.

Scheduled for varsity baseball monograms are: Jack Thompson, Charles Maxwell, Michael Grealis, William Ozga, Deryl Denman, Joseph Enis, Joseph Pleviak, Ronald Gable, Michael Horn, Joseph Gates, James Brownlee, Douglas Lang, Donald Blackman, and managers William Bonner and Bruce Wollpert.

Fresh-Soph baseball: Robert Oilschlager, Richard Davis, James Barnstable, Jerry Berke, John Horton, Dean Denman, Ronnie Van Rooyen, Thomas Furlan, David Schweigart, Donald Hammelberg, James Wetterberg, Kenneth Larson, James Wojczynski, Roger Dewar, Dean Horton, Leslie Geist, George Hanson and Ernest Westlund.

Prep golfers to receive awards are: Bernard Anderson, Wayne Bentel, Charles Bruhn, David Cardiff, James Dupre, John Hallwas, William Kaub, John Lear, Frank Long, Leslie Miller and Richard Ripley.

Also scheduled will be awards to track team members. Presentation will be by Larry Leon, varsity baseball coach; William Seemann, fresh-soph baseball coach; Stuart Good, golf coach; and Emery Chandler, track coach.

Antioch Golfers

Antioch's prep golfers found Lake Forest's varsity just too tough last week at Spring Valley Country Club, and bowed 11-4 in a conference match.

State to Crack Down on Boat Act Violators

State Conservation Director William T. Lodge cautioned Illinois boat owners to have registration numbers posted on the bow of their motorboats and to have them properly equipped with safety equipment before launching them on Illinois waterways.

Lodge warned that state conservation officers will arrest those who fail to comply with the requirements of the Boat Registration and safety Act which went into effect last year.

Lodge said that more than 100,000 boats were registered last year. However, many thousands of boats failed to be registered, he said. It is estimated that more than 50 per cent of the boats in Illinois remain to be registered and that owners are subject to arrest unless they comply with the law before putting them in the water.

Owners of new boats must have numbers posted within 15 days after purchase. Applications may be acquired at the Springfield and Chicago offices of the conservation department and at marine boat dealers. Application fee is \$5 for a three-year period.

Harry G. Penzin, law enforcement chief of the Conservation Department, has issued orders to enforcement officers to make no exceptions in strict enforcement. Penzin said that a dozen new 17-foot aluminum boats, with 75 horsepower motors, have been added to the 100 boat fleet of the department to insure strict enforcement.

Warren Stops Antioch 2-0 In Thriller

After a hot pace of three straight wins to start off the second half of the conference race, Antioch High's diamond squad received its come-uppance for the second time in a week by dropping a close 2-0 thriller to Warren here on Friday.

Antioch's bid for a winning second half was rudely interrupted earlier in the week when an aroused Round Lake nine slapped down the locals 13-2.

In blanking the Sequoia, Warren's Ken Krueger gained his third victory and second shut-out. He had a no-hitter all but wrapped up until Jim Brownlee banged out a single with one down in the last of the seventh.

It could just as well have been a no-hitter all the way around, as Antioch's Deryl Denman handcuffed the visitors for two lonely blows, giving both squads a combined total of three hits for the evening.

Only four Antioch men reached base against Krueger, who worked well in blanking the locals. His pace was matched by Denman, who deserved better than he received, and should have ended the evening with a one-hit, no-run game in his pocket.

Warren scored first in the fourth when Larry Beshel's misjudged fly fell for a triple. Up 'til then Denman had retired nine straight. Denman retired the next two batters, but Beshel romped home when John McClure was safe on one of five Antioch errors.

Warren scored again in the top of the sixth when Len Lahey reached first on an error, stole second, advanced to third on another error and scored on a sacrifice fly.

The lone, clean blow off Denman came in the seventh with two away when Tom Edwards sent a sharp liner to center.

Kari Hjelt took medalist honors for Lake Forest and picked up three points as did Buzz Gaines, and Charles Rechlin. Steve Ekdahl added two more for the victors.

Lear with three and Miller with one scored all Sequoia points.

JUNIOR BOWLERS pose with trophies presented at the annual banquet of the Junior Bowling League held last week at Loren's Smart Country House. Winning team was Jerry Berke, Ricky Ripley, Bill Elav and Ray Nosko. Second-place team honors were won by Dan Hamelkers, Tom Anderson, Bill Ozga and Bob Grumbeck. High game trophy for boys went to Eddy Thayer and Lynn Fox won high game for girls.

Track Squad Beats Warren

Antioch's track team, strong in the relays and individual events, defeated Warren 65 1/2 to 52 1/2 there on Tuesday.

Sequoia firsts were won by Elliott, high hurdles; Truelsen, 100 dash and low hurdles; Fowles, 220; Krieger, 440; Andrews, broad jump; and Weber, pole vault.

Antioch won both the relays.

Boat Examinations

Courtesy examiners from Flotilla 22-19 of the U. S. Coast Guard Auxiliary in Fox Lake are now visiting all area marinas to give free courtesy boat examinations to the public.

The examining period will run through to June 4. After that examinations will be by request only. Anyone wishing to have their boat examined free should call the Chain O' Lakes Marina in Fox Lake.

The next regular meeting of the VFW Auxiliary will be held at 8 p.m. Monday, June 5, at the VFW hall.

The Lake Villa firemen and their wives had dinner at Hennie Johnson's resort at Deep Lake Sunday, after which they returned to the fire station for picture taking and other activities.

Mrs. Julia Guffo and Mrs. Irene Rahm and daughter, Barbara, of Libertyville were visitors Monday at the home of Mr. and Mrs. Henry Jarvis.

The Wesley choir of the church will have their picnic at 5 p.m. at Lehmann Park June 6. The Chapel choir of the church will have their get-together at the home of Mrs. Charles Jackson, North Shore Dr., Cedar Lake, next Wednesday.

Officers elected to serve the Naomi Circle of the Women's Society are: Mrs. John Miller, president; Mrs. Alvin Pegg, program chairman; Mrs. Norbert Plachka, secretary; Mrs. George Sebela, treasurer, and Mrs. Al Flood, publicity. The Circle will hold its annual pot-luck supper at the home of Mrs. Charles Heigel at 7 p.m., June 12. Mrs. Robert Bailey will have devotions.

The Lake Villa Methodist Church will hold its annual Vacation Church school from June 13 through June 23, from 9 a.m. until 12 noon. Mrs. Earl Bruner will be director. Theme for this year is "Personal and Group Relationship."

"Living and Working Together as Christians" is the course for the Juniors. "Loving One Another" is the theme for the primaries. The kindergarten class will study "The Home and Family." There will be a free will offering during the daily worship service. Refreshments will be served daily. The beverage will be furnished by the church school and children will be asked to take turns bringing cookies.

The last day of the session will consist of a brief clean up party, after which will be fun time for all with games, contests and ice cream.

Teachers will be Mrs. Donald Myers, Mrs. Wesley Graham, Mrs. Stephen Barry, Mrs. Hubert Bechtel, Mrs. Roland Lyons, Mrs. Richard Ruck, Mrs. Robert Schick, Mrs. C. H. Jackman, Mrs. John Miller, and Mrs. Ralph Johnson. They will be assisted by Ruth Austin, Jane Wolff, Janice Sebela, Kathy Holway, Diane Pfisterer and Sandra Cremin.

There is still a need for more teachers, particularly in the kindergarten. All who can help for the two weeks are asked to contact Mrs. Bruner, El. 6-7243.

Lake Villa grade school children enjoyed roller skating Saturday afternoon at the Twin Lakes Roller Rink in Wisconsin.

County Firemen Gird for Annual Convention Saturday in Lake Villa

One of the largest assemblies of firemen and fire apparatus ever in the history of Lake County will converge on Lake Villa Saturday for the annual convention of the Lake County Firemen's Assn.

All 31 departments, complete with men and equipment, are expected to take part in the huge affair. Lake Villa's 26 man department under Capt. Ervin Barnstable, Sr. will be host to the one-day affair.

Planned is a gala program, to include "demonstrations," a huge parade and a free dance in the evening to conclude the affair.

All visiting departments will begin the day with registration at 11 a.m. at the fire station.

At noon there will be an inspection of equipment by a panel of judges. First place trophies will be awarded to winners of the custom

and commercial equipment divisions.

Starting at 1 p.m. there will be a vehicle parade with all visiting departments participating. The parade will start at the VFW Club and go east to Grand Ave., then over to Rte. 21. The parade will proceed south on Rte. 21 to Engle Dr., east to Granada Ave., and back to Grand Ave. From here the route will turn back to Rte. 21 and north to Lake St., to Cedar Ave., up Cedar to Grand Ave., and then back to the VFW Club.

A number of antique pieces of fire equipment are expected to be among the vehicles in the parade.

At 3 p.m. a number of three-man and five-man hook-ups will be displayed on Lake St.

Following this will come a series of water fights on Cedar Ave., in which various departments will compete.

Food and refreshments will be served for firemen and their families at the VFW club house.

A dance at 8 p.m. will be the high spot for the evening.

Channel Lake News

By Mrs. Pearl Kapell

CHANNEL LAKE—Channel Lake School PTA sponsored a Teacher's Recognition night at the school Wednesday, May 17.

A pot-luck dinner was served for the occasion. Each of the lady members of the teaching contingent was presented with a corsage. In addition, each of the teachers was presented with a gag gift.

Dorothy Karczewski, first grade teacher, received a box of Kleenex and a set of false fingernails. Anyone who has dealt with first graders knows the need for Kleenex, and the fingernails were to replace the many she has broken buttoning small coats, etc.

Jean Soby, second and third grade teacher, received a pair of track shoes, so that she could keep up with the girls gym class, which she supervises.

Grace Amendola, third and fourth grade teacher, received a mop wig to replace the hair she may have pulled out in frustration through the year.

Myrna Jungman, fifth and sixth grade teacher who always seems to have to spend more time at school than anyone else, received a clock to mark off the extra hours she puts in.

Howard Scott, seventh grade teacher and chauffeur of the school carry-all for the athletic teams, received a model car for a summer replacement.

Randall McConahay, eighth grade teacher who also taught music, received a plastic saxophone as an unnecessary reminder of all the sour notes he endured through the year.

The PTA officers for the next year were installed by Mrs. Elmer Eberman. They are: president—Mary Bierman; vice president—Betty Hameau; secretary—Kay Lasco; treasurer—Doris Melerdick; historian—Lillian Voskuil; and parliamentarian, Jean Soby.

The annual school picnic sponsored by the PTA will be held at Fox River Park June 5. Students will be furnished transportation.

Methodists Push Church Fund Drive

The fund drive of the Antioch Methodist Church will continue through the month, it was revealed this week.

The drive, launched as "Every Member Commitment Program," includes funds for the church budget and World Service and development of the property adjacent to the church.

The property development program includes provision for a parking lot and additional church-school space. Studies are currently under way to determine building needs before the expansion program is started.

The parking lot is expected to be ready for use in two to three weeks.

Special St. Peters Class Graduates

Diplomas were presented in ceremonies last week to religion high school seniors completing Confraternity of Christian Doctrine at St. Peter's Church.

Receiving diplomas were: Robert Johnson, Ronald Schaefer, Roger Stahl, Dudley Sheehan, Peter Zeien, Barbara Kisel, Veronica Ganzer, Marsha Kulp, Michaelene Milowski, Margaret Roach, Coleen Mortensen, Kathy Runyard, Cynthia Ryan, Joyce Sorensen, Susan Uedel, Dorothy Peters and Patricia Wells.

Instructing the classes were the Rev. Lawrence F. Hanley, director; Jerome Healy, William Gallagher, Eugene LaPlant, Bernard Dost, Joseph Kelly, Barbara Steinberg, Joan Cervenka, Ronald Peters, Henry Apostol and Mrs. Mary Beth Walsh.

Home visitors were Dudley Kennedy, Charles Erbach, Charles Forster and Paul Eckert.

Secretaries were Mrs. Barbara Diemer and Mrs. Elaine Apostol.

The Knights of Columbus, St. Peter of Antioch, presented each graduate with a book.

GOLF OUTING

Men faculty members of Antioch Township High School will hold their annual golf outing Thursday at Spring Valley Golf Club. Time off the tee will be 4 p.m.

Legion to Man Corners on Annual Poppy Day for Needy Vets May 27

Saturday is Poppy Day in Antioch the day when members of the American Legion and Auxiliary sell the handmade red poppies symbolic of the nation's war veterans.

Where does the money go? Every time there is a tag day or a fund-raising drive, people quite naturally ask that question.

Money raised by the Antioch American Legion Poppy Day Sale Saturday, May 27 will be used to help needy disabled veterans and their families in Illinois.

The money is raised by your contributions and by your neighbors who volunteer their time as members of the American Legion and American Legion Auxiliary to sell the poppies. These poppy "salesmen" and "saleswomen", who are joined by volunteers from the public, donate their time.

Part of the funds are used to take care of the everyday comforts and needs of the hospitalized veteran, for which there are no other adequate provisions. They are insurance against any hospitalized veteran having the demoralizing experience of "being forgotten."

These funds also provide resources for temporary relief work among immediate members of the disabled veteran's family, including such basic items as food, rent, or medical expenses. It gives the hospitalized veteran the morale-building assurance that his wife and children will get the care they need immediately in an emergency situation.

The job of assembling the poppies also provides the opportunity for the disabled veteran to earn money while hospitalized. The Legion pays the men for the poppies they make. For many of the veterans, it is the only chance they have to earn money for their families.

Ravenglen Holstein Herd Classified

The Holstein breeders Ravenglen Farm of Antioch has been officially classified by Ronald C. Chapman, Ruthven, Ia., official inspector on the staff of the Holstein-Friesian Association of America.

Of 58 animals classified by Chapman, 8 were "excellent," 20 "very good," 27 "good plus" and 3 "good."

In other activity at Ravenglen, the animal Ravenglen Odette G. Triune has completed a production record of 15,107 pounds of milk and 587 pounds butterfat in 349 days on twice daily milking as a 2-year-old.

Tests were conducted under supervision of the University of Illinois.

Antioch Tax Refund \$8,112 for March

Antioch's share of funds collected under the Retailers' Occupation Tax Act for the month of March totaled \$8,112.15, according to reports this week from the Department of Revenue, State of Illinois.

Other municipalities in the area and amounts received are: For Lake, \$3,521.12; Grayslake, \$2,249.91; Lake Villa, \$764.06; Lindenhurst, \$430.09; Round Lake, \$1,707.06; Round Lake Beach, \$502.69; Round Lake Park, \$480.12; and Wauconda, \$2,038.69.

The county's share of returns from sales tax collections for areas not covered by municipalities was \$8,824.82.

Sel Demonstration for Area Yule Tree Growers

Lake County's Christmas tree growers will learn how to properly prune and shear Christmas trees when they attend a demonstration Wednesday, May 31, according to Ray T. Nicholas, Lake County farm adviser.

The pruning and shearing demonstration will be held on the E. T. Whalin farm in Vernon Township starting at 1:30 p.m. This farm is located on Bush Road east of Rt. 68, about one mile southeast of Long Grove.

The demonstration will be conducted by Extension Forester, L. B.

Culver of the University of Illinois. Unless the thousands of evergreens now growing in Lake County are properly sheared, only a relatively small percent will make well balanced Christmas trees, states farm adviser Nicholas.

Christmas tree growers in Lake County who give a little attention to the proper training of the trees will find practically all trees to grow into desirable, well balanced, symmetrical specimens, he said.

Everyone interested in observing the demonstration is invited to attend. There will be an opportunity for questions.

Have These Flags Cleaned Free In Time For Flag Day June 14

For the eighth consecutive year, the National Institute of Dry Cleaning is cooperating with the American Legion in a joint program to seek "New Glory for Old Glory." Under this program, the National Institute of Dry Cleaning urges the nation's 35,000 cleaning establishments to encourage Americans to fly their country's flag by offering to dry clean flags free between June 1 and 12.

This program is timed to remind Americans to display a flag of presentable appearance on Flag Day, June 14, as on other appropriate occasions.

David Kulken, commander of Antioch American Legion Post 748, reported that the One Hour Martinizing, 388 Lake St., Antioch, will participate in this program, and will clean without charge flags brought to them between June 1 and 12.

Although July 4 will be the second anniversary of the 50-star flag, said Commander Kulken, "It is still entirely proper and correct to display a 48 or 49-star flag. No American flag is ever obsolete as long as it is in serviceable condition."

Arthur Hanke Holds Scholarship at Stout

Arthur Hanke, Stout State College student from Antioch, Ill., is one of the 192 Stout State undergraduate and graduate students holding scholarships for the second semester, 1961.

Total value of the scholarships awarded for the second semester is more than \$17,000.

Stout State scholarships are made possible through legislative appropriation, private individuals and organizations, foundations, and the federal government.

Lake E Bond Sales \$394,515 in April

Lake County residents purchased a total of \$394,515, in series E and H United States Savings Bonds in the month of April, according to Philip L. Speidel of Lake Forest and John Meade of Waukegan, General County Co-chairmen of the Savings Bonds Committee.

Illinois sales were up 4.5% over last year, totaling \$29,743,043, according to T. Merle Paul, State Director of the U. S. Savings Bonds Division.

Sales in the state represent 8.5% of the national total of \$348,000,000. In the first four months of this year 37.6% of the state's annual quota of \$374,800,000 has been attained.

Double Its Efficiency

Appliances Help Expand Tiny Kitchen Into Big One

A small kitchen? Certainly not a big one, but its conveniences are huge. Precious counter space is saved and a breakfast bar is added by the island electric range, a free-standing model that looks built in. The electric dishwasher under the window at left is used to store dishes used daily after it washes them hygienically clean. Other features unusual in a kitchen of this size include electric refrigerator-freezer plus separate big-capacity freezer, complete electric laundry, and handy desk with telephone.

Big kitchens are fine, but it's not necessary to have a vast amount of space to work with if you plan to remodel an old kitchen or design one for a new home.

Today's new electric appliances make it possible to create an efficient, complete kitchen in an area housewives of a few years ago wouldn't have considered big enough for a pantry.

Today's new electric ranges and their components, for example, offer many solutions for space problems. Surface cooking units are available that "drop" compactly into the top of a cabinet. Others fold up out of the way when not in use, while still others slide away like a drawer.

Electric ovens can be installed in a wall space that once was worthless except to hang a calendar. Even the cook's dream—two ovens—can be built in

without taking up precious floor or counter space.

Another modern appliance that solves problems in "tight" kitchens is a portable electric dishwasher. It rolls to the sink as easily as a kitten on a carpet, washes an entire day's dishes and utensils hygienically clean, then rolls away to a handy corner.

Some models with chopping-block tops actually add more kitchen work space. All models add storage space, since dishes used daily can be stored in the dishwasher itself.

Built-in dishwashers fit neatly under a counter. Today's models are compact, but will usually handle the day's tableware for the average family. They make small kitchens seem bigger by eliminating mess. Dishes go directly from table to dishwasher with no need for rinsing.

Happiness or Tragedy - Lakes Area Offers Both, Coroner Babcox Finds

"Lake County's scores of lakes are more than popular recreation areas; they can be ambushes for death and tragedy," Coroner Robert H. Babcox warned today as thousands prepared to head for the lakes for Memorial Day outings.

Recalling past family outings that ended in grief, Babcox said, "Jimmy was a blue-eyed, blond-haired, six-year-old boy, loved by his parents and idolized by his older brother and sister. He was forever awed at the joy and the mysterious wonder of a six-year-old's world."

"When I met Jimmy, the volunteer firemen were taking him from the water of one of our lakes; his blue eyes were clouded; his blonde hair was matted with mud, sand and weeds. His hands were in an outstretched position, as if he were asking for someone to reach down and pick him up. Jimmy would never have the opportunity to grow up and enter into business with his father."

"It is difficult enough to answer a call involving a person who has managed to outsmart the grim reaper through his early years but a child of six will tear the heart out of the most callous person," Babcox said.

"I play a game with myself. I just will not admit that this body was ever a living human. I will not give it a personality."

"As Coroner of Lake County, I can't have a weak stomach or emotions other people might have; nor can I have a memory which might haunt me in my later years. I have developed a knack of forgetting an incident such as Jimmy almost as soon as it happens."

"In the past ten years as Coroner of Lake County you might wonder how much I have seen. I try not to remember but I would venture a guess somewhere in the excess of 4,000 dead bodies. Included in the 4,000 dead, of course, are those who died suddenly from natural causes, but we also have the utterly senseless slaughter on our highways, the said and pathetic drownings, the careless accidents around the home, violent deaths of all types and causes, of which better than 80 per cent could have been avoided had the victim or other responsible people just used some good old common sense."

"Only too many times have I received a call of a bad accident and then upon my arrival at the funeral home found the broken, battered body lying on the morgue table to be that of a friend. To me our horrible death toll on the highways and the senseless loss of life in our lakes means:

1. Young boys who will never enjoy the thrill of their first hunting or fishing trip with their father, their first date, or their first high school football game.

2. Young girls who will never go shopping with their mothers, or experience the thrill of their first formal dance.

3. Strong men who are suddenly taken from their families; men who will never have the experience of walking down the aisle to give their daughters away in marriage.

4. Mothers who will never know

the satisfaction of watching their grandchildren grow up.

5. Beautiful young ladies killed suddenly, hardly recognizable.

"Perhaps I have been wrong to share some of my experiences with you but I feel it, somehow, I can just reach one of you or prompt you to think it over, to slow down and start using your head for something beside a hatrack, then perhaps I will be able to sleep better at night, knowing that I have exhausted every means possible to make this a safe and sane summer."

Grade School Grads, Parents Have Party

Graduates, parents, teachers, board members and school officials of Antioch and Oakland grade schools were guests at a banquet-party last night.

The banquet was held at 6:30 p.m. in the Oakland School cafeteria after which all returned to the Antioch gym for a party.

Superintendent of Schools and Mrs. William C. Petty were social guests.

Graduation ceremonies will be held at 8 p.m. June 1 in the Antioch Grade School building.

Air Conditioners Accurately Rated By Btu Capacity

The easiest and surest way to obtain the right-sized room air conditioner for any room is to provide an appliance dealer with enough information to prescribe the "Btu" capacity needed for maximum comfort.

Btu's—British thermal units—are used today by manufacturers to describe the cooling capacities of modern air conditioners. Old "horsepower" and "ton" designations have been abandoned in favor of this more accurate method of measuring the amount of heat a cooling unit can handle.

One Btu per hour is roughly the amount of heat generated by a kitchen match if it were to burn an hour. An air conditioner labeled 12,000 Btu's, for example, would remove the heat of approximately 12,000 matches.

Here's the basic information the appliance dealer will need to help choose an air conditioner for a given room:

1. Size of room and what it's used for, such as living room, bedroom, dining room, or family room.

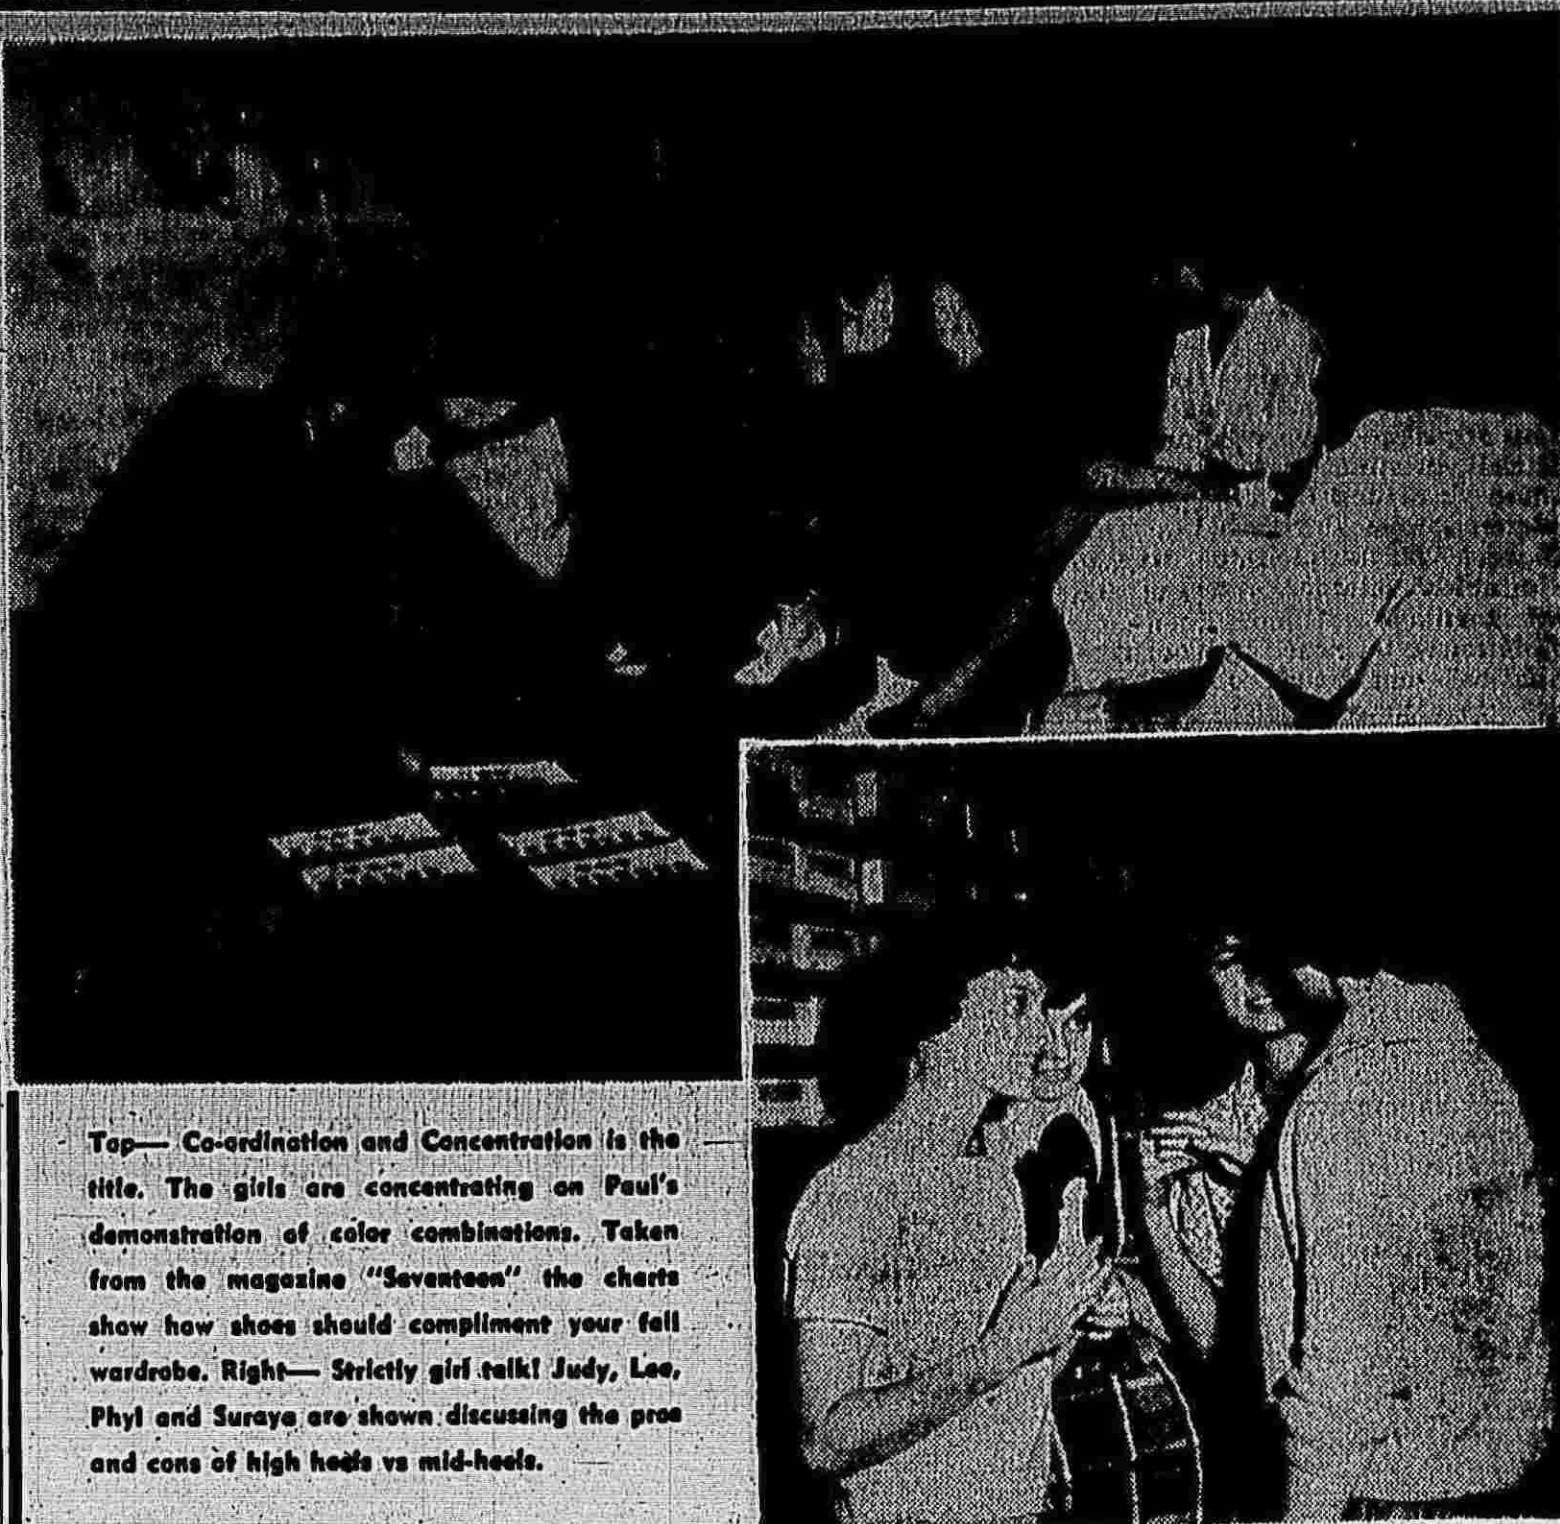

2. Exposure of its outside walls—south, north, east, or west—and the number of windows facing south or west.

3. Its location in relation to other areas of the house: under roof, uninsulated attic, or occupied room.

4. Electric circuits available: 115, 230, or 208 volts.

A wide selection of room air conditioners now is available, including window units, models that install permanently through a wall, and units that provide year around comfort—cool in summer, heat in winter.

Standards of the National Electrical Manufacturers Association now provide that a room air conditioner's cooling capacity in Btu's per hour be imprinted on the data plate.

Lindenhurst Residents Map Plans To Fight Personal Property Tax

By Mrs. Bernice Berman
EL. 6-5645

LINDENHURST—Thirty-five residents of Lindenhurst met Friday evening at the home of Mr. and Mrs. R. Hendrickson to map plans to fight the personal property tax. They plan to draw up petitions to appeal the tax.

They hope to get the cooperation of neighboring towns to join them in signing this petition. Another meeting is planned for the near future at which a committee will be appointed to represent them. Everyone interested in getting rid of this tax is asked to attend future meetings. A time and place will be announced later.

Leonard Clark, 13, of Hazelwood Drive underwent surgery last Thursday at St. Therese Hospital for correction to injured growing plate in his left leg.

While Leonard was on the operating table, his friends in the band at the Lake Villa school prayed for him. His leg will be in a cast for six weeks after he returns home from the hospital.

Mr. and Mrs. Ted Plouviez, Denise and Irene, of 108 North White Oak Dr., drove down to Langleyville, south of Springfield, last Wednesday to spend a few days with Ted's grandparents, Mr. and Mrs. Zehpyr Plouviez. They arrived home Monday morning.

Thirty-one boys signed up Friday evening to be in the Babe Ruth League for the Lake Villa Township area. They have uniforms for two teams, but they only have one manager, John Mateja of 1901 East Longmeadow Drive, Lindenhurst. Any father who would be willing to manage a team should call Mateja at EL. 6-7000.

They will be in a league with teams from Antioch, Mundelein, Lake Bluff, Fox Lake, Lake Villa and maybe Lake Forest. Games will be played on Wednesday evenings about 6 p.m. and Saturday afternoons about 1:30 p.m.

The Altar and Rosary Society of Prince of Peace Church would appreciate receiving winding strips from Hills Bros. coffee cans. They need 350 strips to get a coffee urn. They can be left at the church on Sunday, or given to any member of the Society. The urns will be put to good use at the festival in August, if received in time.

Mrs. Lorraine Lewis of 222 S. Valley Drive gave a surprise birthday party for two of her friends Wednesday evening, Mrs. Ron (Shirley) Coles of Valley Dr., and Mrs. John (Lois) Peterson of South Thornwood Dr.

Among the ladies invited were Mesdames Gertrude Smith, Pauline Pullis, Virginia Van Vorus, Anne Zlaja, Lee Fields, Arlene Pawlowski, Martha Orban and Mary Stangel.

The Lindenhurst Garden Club will hold a rummage sale on June 17. For pickup call Mrs. Nada Romani after 6:30 p.m. at EL. 6-7991 or Mrs. Helen Skelton at Elliot 6-5235.

The Prince of Peace Church will hold a rummage sale June 23 and 24. For pickup call Vicky Reidel (Welcome Wagon lady) at Elliot 6-7013 or Ruth Koenig at Elliot 6-4001. Rummage may be brought to the school anytime after June 6. Mark sizes on clothes whenever possible. Rags are also needed. Please mark "rags" on boxes.

Ivy Cancer League will hold its regular monthly meeting at Mrs. Hubert (Zelma) Bechtol's home at 2200 East Witchwood Lane Friday, May 26, at 8:15 p.m. Anyone interested in working on items to be sold at their bazaar is invited to attend.

Mrs. Everett (Babe) Standiford of 1902 East Fairfield Rd. is the new Girl Scout leader for Lindenhurst. She is in need of a co-leader, secretary, treasurer and three committee-women. Anyone who is willing to help her is asked to call Elliot 6-7462. The girls will start meeting

in September. Any girl 10 years old and older may join. The Lindenhurst Woman's Club is sponsoring the troop.

Mrs. Charles (Pat) Reinhart, 105 South Lindenhurst Dr., was guest of honor at a baby shower Thursday evening. Mrs. Walter (Jeannie) Saran of 1911 East Burr Oak Lane gave the party. Raymond Charles was born April 19. As the child weighed 4 pounds 4 ounces at birth, he wasn't brought home until last Sunday, Mother's Day. He now tips the scale at 5 pounds, 9 ounces.

Those attending were Mesdames Alice Puzkin, Ruth Lund, Velma Mercer, Babe Standiford, Julie Swanson, Helen Cencula, Lola Roos, Pearl Kockler, Grace Slove, Esther Sokup and Blanche Klima.

Pat's mother, Mrs. Lillian Paulson of Chicago, has been out all week visiting.

Forty-one ladies attended a fashion show at Le Don's in Chicago last Wednesday evening, sponsored by the Altar and Rosary Society of the Prince of Peace Church in Lake Villa. The ladies modeled the coats, suit coats and fur pieces. They stopped off at the Grove Inn in Northbrook for dinner on the way home.

The Friday Night Pinochle Club gave a baby shower for Mrs. Robert (Jackie) Filwett of 2205 East Ridge-land last Thursday from 9:30 a.m. to 11:30 a.m. at the home of Jackie's mother, Mrs. Sybil Berbes, 225 Briar Lane.

Attending were the Mesdames May Hunt, Grace Slove, June Simecek, Marge Campbell, Dorothy Verdick, Zinnia Neumann, Vi Selzer, Marge Fabry and Mary Ann Johnson. The latter two are not members of the club.

The Filwetts are expecting the new arrival the end of June. They have three children, Patricia 13, Guy 11 and Vaughn 10.

The Lindenhurst Woman's Club card party was a success, thanks to all of its members and merchants who donated the lovely articles. Mrs. Hubert Bechtol was chairman of the party and her committee consisted of Mesdames Paul Hunt, Harold Sokup, Gus Fabry, Floyd Stanley and Warren Frontzak.

The graduation party for the eighth grade students at the Prince of Peace School will be held May 29, at the school. Mrs. Joseph McGrath is chairman.

Mrs. Elenore Bridze and son, Kenneth, spent Sunday at the home of Mr. and Mrs. Frank Shea of Lindenhurst.

Mr. and Mrs. Henry Jarvis and family were visitors Friday at the home of Mr. and Mrs. Louis Williams of Bristol.

Mr. and Mrs. Russell Nickerson entertained relatives from Galena Saturday.

Mr. and Mrs. John Effinger returned from a fishing trip at Chetek, Wis.

The seventh grade mothers of Lake Villa grade school entertained the eighth grade graduating class and their parents at a party Thursday evening at the school gym.

Sam Sacco spent a few days last week visiting friends in Chicago.

Mr. and Mrs. William Schneider of Chippewa Falls, Wis., were visitors recently at the home of Mr. and Mrs. William Peterson and family.

Cash dividends paid on common stocks listed on the New York Stock Exchange came close to \$10 billion in 1960, and set a new annual record. This was the 13th year in the past 14 that cash common dividends hit a new high. The sole exception occurred in 1958, when dividends dipped one per cent from 1957.

Students Recommend Area Improvements

Possible improvements in planning of the Chain-Of-Lakes region will be presented tonight by the Senior Civil Engineering class at Northwestern University.

As a final project of undergraduate work, members of the class have applied engineering skills to the problem in an effort to come up with recommendations as to transportation, sanitary, soil, economic, governmental and other aspects considered from a comprehensive regional planning viewpoint.

The public is invited to the presentation of the findings and suggestions of the students. Maps, charts, slides and airphotos of the area have been prepared for this meeting.

The meeting will be held at 7:50 p.m. in Lecture Room 4, Technical Institute, 2145 Sheridan Rd., Evanston.

4-H Youth Master Use of Electricity

A little over 200 years ago Ben Franklin tied a key to his kite string and got one of the most important shocks in history. And about 80 years ago another enterprising American soldered a couple of wires together under glass and illuminated buildings and streets.

Many inventions and refinements have been added since to the electrical industry until today virtually every house, store, factory, farm and school in the state depends largely on electrical energy.

With widespread use came a need for better understanding the fundamentals of heat, light, power and communications. One such need has been fulfilled for this younger generation through a state-wide 4-H electric program supervised by the Cooperative Extension Service, University of Illinois, and sponsored by Westinghouse Educational Foundation.

For more than a quarter century, 4-H leaders, county Extension

agents and other qualified individuals, nearly 13,000 Illinois boys and girls are participating in an electric project.

Projects range from simple cord repair jobs to building complicated electronic units. And like their illustrious forefathers, the 4-Hers strive to increase knowledge and application of electricity.

Incentives in the form of awards are offered by Westinghouse. These include college scholarships, educational trips and honor medals. Besides the immediate advantages in this modern program, many 4-Hers find it an avenue to a future career, says the National 4-H Service Committee, which distributes six \$400 Westinghouse scholarships each year to college students.

A Marshall County 4-H member won state honors last year and the congress trip. He is Ronald Gehrig, 18, of Wyoming, who is completing his senior year in high school. His projects ranged from wiring a new corn crib to building an insect trap.

Local Student Named To NIU Honor Group

Members are chosen from junior men with top scholastic averages. John Gurley of Round Lake was also among those elected to the honor society.

Utility Extends Gas Service at Deep Lake

Extension of gas service along the eastern shore of Deep Lake is expected to be completed by mid-June, it was disclosed here.

The Northern Illinois Gas Co. is setting mains along Grand Ave. to Deep Lake Road. Mains will also be installed along Deep Lake Road to East Street, along East to Edgewood, and along First through Fifth street from Deep Lake Road to the Lake front.

Plan Air Check of Highways on Memorial Day

The Chicago Motor Club's Memorial Day air observation traffic service will be in operation Tuesday, May 30, for the 13th consecutive year.

From 3 p.m. to 10 p.m. the club's observers will fly over the general Chicago area reporting on traffic conditions as an estimated 350,000 automobiles pour back into the region following the Memorial Day holiday.

When a traffic tie-up is spotted, this information will be relayed to Chicago area radio and TV stations for use as special traffic bulletins. Suggestions for alternate routes will be made when feasible.

While the club's traffic engineers are checking highways from the air, other staff members will be in communication with city, county, and state police reports on accidents and bottlenecks.

The motor club's touring department estimates that 265,000 cars will be leaving the Chicago area after 4 p.m. Friday, May 26, for trips within a 350-mile radius of Chicago; 50,000 cars will leave Saturday, May 27; 35,000 will leave on Sunday, May 28; and another 50,000 on Monday, May 29.

Traffic estimates are based on good weather conditions prevailing for the holiday period.

Traffic congestion is expected to

ALL ABOUT BABIES

A Public Service of the
National Baby Care Council
YOUR BABY'S HEARING

By Malta J. Carlson

President, Acoustics International. It is important that parents, especially mothers, be alert to signs of impaired hearing in their babies. A hearing defect, unlike most other disabilities, does not show and therefore may not be discovered for a long period of time if parents are not acquainted with its symptoms. Meanwhile the child's normal development is slowed and vitally affected.

Although the only sure way to uncover a hearing loss is by scientific testing, there are early signs of a baby's impairment which a mother should watch for. She is in the best position to detect these first indications of a hearing loss in her child since she is usually nearer to him and more familiar with his reactions than anyone else.

If, for example, the baby responds less readily to her speech or to simple sounds than did her other children at the same age, she will be able to notice the difference. Other indications are:

1—The baby is inattentive to what is happening around him.

2—He shows no response when his name is spoken.

3—Baby consistently pays no attention to the sound of a spoon being tapped against his feeding bottle.

4—He does not show any response to street noises such as automobile backfiring, a dog barking or fire sirens.

If a hearing defect is suspected the family doctor or pediatrician should be consulted. He will direct the mother to a competent ear specialist who will give the baby a thorough examination to determine whether or not he is hard-of-hearing.

The chances for helping a baby with a hearing impairment are good. In many cases medical treatment following early discovery of a hearing loss will clear up the difficulty. In instances where medical attention does not cure the impairment it may be recommended that the child use a hearing aid and be given special educational training.

There are a number of groups throughout the country dedicated to helping hard-of-hearing children. Local hearing societies and hearing and speech centers in colleges and universities are continually carrying on better hearing programs. In many cases part of the assistance they give includes the fitting and use of a hearing aid for those who cannot afford to buy one. This is made possible through the cooperation of many hearing aid manufacturers who contribute aids for this purpose.

State-Wide Job Drive Opened By Gov. Kerner

Governor Otto Kerner by proclamation has enlisted the support of all Illinois employers to join in a nationwide campaign to promote employment under the slogan "When They Work—You Profit: Hire Now."

"While the economic recession shows signs of abating," the governor said, "we still have 327,000 unemployed in the State of Illinois." In addition to this thousands of young people will be entering the labor force in June, requiring an all out effort if these people are to be absorbed into employment and Illinois is to live up to its economic potential," he said.

The Governor indicated that this campaign being conducted through the 53 offices of the Illinois State Employment Service was in keeping with the programs set forth in President Kennedy's economic message to Congress.

The Governor stated that there are many instances where employers have need for additional personnel, but for one reason or another have not crystallized their decision to hire those needed workers now. "Providing these openings and listing them with the local office of the Illinois State Employment Service will assure added purchasing power and help to restore a favorable economic climate for Illinois," the Governor said.

He indicated that the Illinois State Employment Service offers prompt referral of qualified workers for filling these vacancies and the return of workers to gainful employment, benefits not only the individual and the economy, but the employers as well, for: "when you hire the people you need now, they work and you prosper."

GRASS LAKE — Mrs. Barbara Beese and Mrs. Charlotte Queen, leader and co-leader of Troop 201, Girl Scouts, took girls working to complete their second-class requirements on a two-day campout at Camp Cardinal, near the Grass Lake school, May 19-20.

Girls who took part in the campout were Candy Horn, Anita Hawkins, Georgia Goetz, Leslie Gilmore, Linda Ernating, Margie Burke, Susan Jekka, MariAnne Robis and Susan Schaefer. Two older girl scouts who are working on First Class requirements, Lynn Symonlak and Leslie Beese, accompanied the campers and aided the leaders.

The other girls of the troop joined the group on Friday evening for a meeting around the campfire for a "sing" and toasting of "Some-mores"—a confection, made up of combined candy bar, graham cracker and marshmallow.

The girls received an impromptu nature lesson when they found and adopted a baby field mouse, whom they named Willie. Willie was the object of much loving attention, until his mother, considerably larger and less sociable than Willie, showed up to take him home to dinner. The girls promptly surrendered Willie to his militant mama and fled in terror.

Some 170 mothers and daughters attended the breakfast at St. Peter's School Hall on Sunday, May 21, given for all Girl Scout troops of that school and their mothers.

Members of Brownie Troops 100, 240 and 242, and Girl Scout troops 110, 223 and 85 were present.

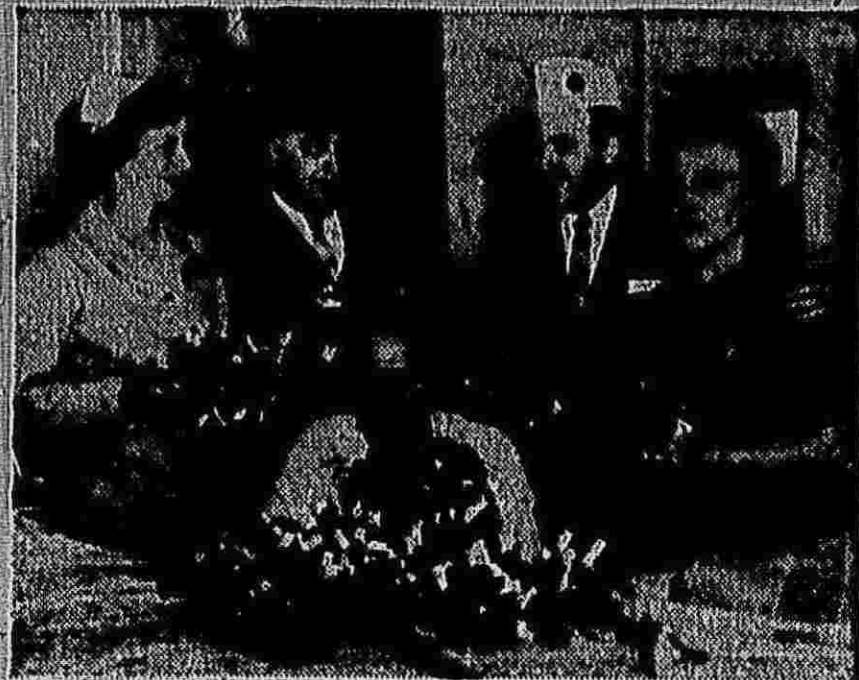

Mrs. Jean Franks, chairman of Girl Scout troops of St. Peter's presented a corsage to Mrs. Charles Seitz in recognition of her service as leader of Troop 110. Mrs. Seitz dropping out as troop leader, has been replaced by Mrs. James Walsh.

Mrs. George Sedevic, Neighborhood chairman of the Girl Scouts, presented leader's ribbons to several of the leaders. She also presented second class badges to girls of Troops 223 and 85.

Mrs. Clarence Schwab, leader of troop 223, presented second class badges to members of her patrol. Mrs. Robert Petersen assisted Mrs. Sedevic in presenting the badges.

Brownie Troops 111 and 210 went on a cook-out to Fox River Park Saturday, May 20. Leaders laid a trail for Brownies who are "tying up" to the Intermediate Troop to follow. Mrs. Evelyn Zale has replaced Mrs. E. R. Bye as leader of Troop 111.

From the Wall Street Journal: "... We wonder what a vista would open up for the American economy if, every single year, the Government let the people keep a few more billions of dollars to spend on their homes, their cars, their clothes and their pleasures. Might we not find that this enlargement of the private-income stream would not only speed up the factories but keep them humming?"

Moose Ladies Schedule Party, Annual Election

The Friendship Committee, Academy of Friendship, Women of the Moose, will sponsor a card party tonight at 7:30 at the Moose Home. Other WOTM activity slated over the weeks ahead includes a ritual practice, Academy of Friendship, at 7:30 p.m., June 6.

WOTM officials today announced there would be no meeting at the Moose Home on June 1.

WOTM members will elect officers at a business meeting at 8 p.m. June 8, at the Moose Home. Officers announced there would be Australian balloting from 1-4 p.m. June 8 at the Moose Home. Members must present membership cards before being allowed to vote. June 15 will be enrollment night for WOTM Chapter 735 at the Moose Home. Chapter night program will be by the Academy of Friendship. Formal will be worn that evening only by members of the Academy, it was announced.

At the WOTM business meeting last Thursday 74 New Horizon certificates were given out by chairmen to co-workers for attending four or more committee meetings through the year. Forty-five were present for the meeting. Those honored at the birthday march were Gladys Schroeder, Dorothy Gorlitz, Alice Young, Lillian Tish and Edna Kouba.

Boy, 9, Hurt in Car Mishap, Returns Home

Stephen Owens, 9, injured Tuesday, May 16, when struck by a car was returned home from the hospital Monday.

He is a fourth grade pupil at Oakland Grade School.

Advices Change in Lake Villa Boundary

LAKE VILLA — Supervisor Edward Tiede believes that a petition to change the boundary lines of Lake Villa Township to include the Fox Lake Heights Subdivision area in Antioch Township will be the best solution to the awkward situation recently discovered here.

Residents who have been voting in Lake Villa Township elections for 25 years not knowing that they are outside the township line, learned this fact for the first time recently.

"Persons living on Cedar Crest Drive want the township to take over the maintenance of the road," said Tiede.

"They now would have to hold township road supervisors would have to agree to maintain the road, whereas if the area were incorporated in Lake Villa Township, the matter would be made simple."

The curvature of Fox Lake bears westward from the straight line of Lake Villa Township, placing nearly 100 lots in Antioch Township on the west.

Student Nurses Urged To Check Training

Girls and women contemplating training in practical nursing were urged today to determine if the training will qualify them to obtain a license in Illinois.

The warning was issued by David M. Kinzer, executive director of the Illinois Hospital Association, who said that many are doomed to disappointment when they discover they have trained at an unapproved school for practical nursing and hence have not qualified.

Kinzer states there are five commercial, unapproved schools for practical nursing in the Chicago area, one of which claims to have graduated 83,000 students.

Motel Operators Rap Daley for Effort To Put City In The Hostelry Business

Claims by Chicago's Mayor Daley that "every important city has a hotel, and a good one, operating at its airport," were challenged today by the Association of Airport Hotels and Motels, the new organization of hotel and motel operators opposing plans for a city-sponsored motel at O'Hare International Airport.

"Mayor Daley is all wrong on his information and completely inaccurate when he says that Chicago is the only major city without a hotel inside its airport," declared Eugene Cary, president of the association which represents 30 hotels and motels in the vicinity of O'Hare Airport.

"Of the nation's 27 major airports, only five have hotels at the terminal, according to the latest information gathered by the authoritative Air Travelers Guide—and for the most part they were built because there were no motel facilities nearby," said Cary.

"Mayor Daley seems to be saying that Chicago would be left behind if we didn't have a motel right inside the airport. The facts reveal that, on the contrary, if Mayor Daley has his way, Chicago would set a precedent of some kind by having the city go into the motel business inside its airport despite the fact that a private business already has provided enough motel and hotel facilities in the airport area."

The association is fighting pending legislation which would let the city lease tax-exempt airport land on a long-term basis with no competitive bidding for a motel.

Motel and hotel operators in the

airport area contend that this would be "unfair competition from a government-sponsored monopoly." They say the O'Hare Field area already has 4,000 motel and hotel rooms either built or under construction.

Association research disclosed figures which contradict the mayor's assertion regarding airport motel facilities in other cities.

At 22 major airports, private business owns and operates motels in the immediate vicinity and there are no motel or hotel facilities at the air terminals.

Only three of the five cities which have motels in their airports have facilities with more than 100 rooms," Cary reported. "They are Boston with 104, Cleveland with 145 and Miami with 270. Pittsburgh has a 68-room hotel in its terminal building. Detroit has a tiny 20-room hotel at its big Willow Run Airport and another 20 rooms at its Metropolitan Airport."

Not only that, but these facilities were built not to compete with private enterprise—as Mayor Daley is trying to do in Chicago—but because there were no facilities nearby."

Miami's 270-room airport motel, for example, went up in the terminal at a time when the only facilities nearby were two old, run-down motels which had been built long before the airport. The closest motel to Cleveland's Hopkins Airport, besides the one on the terminal grounds, is 2½ miles away. There are no motels around the new Greater Pittsburgh Airport. Even

Detroit's 20-room units meet a need. Nearest motel to Willow Run is two miles away and has only 12 units, and there is nothing near Metropolitan Airport.

In the Chicago area, in contrast, motels already are clustered around O'Hare Field and new construction and expansion is underway. The association represents 30 motels and hotels within minutes of the airport.

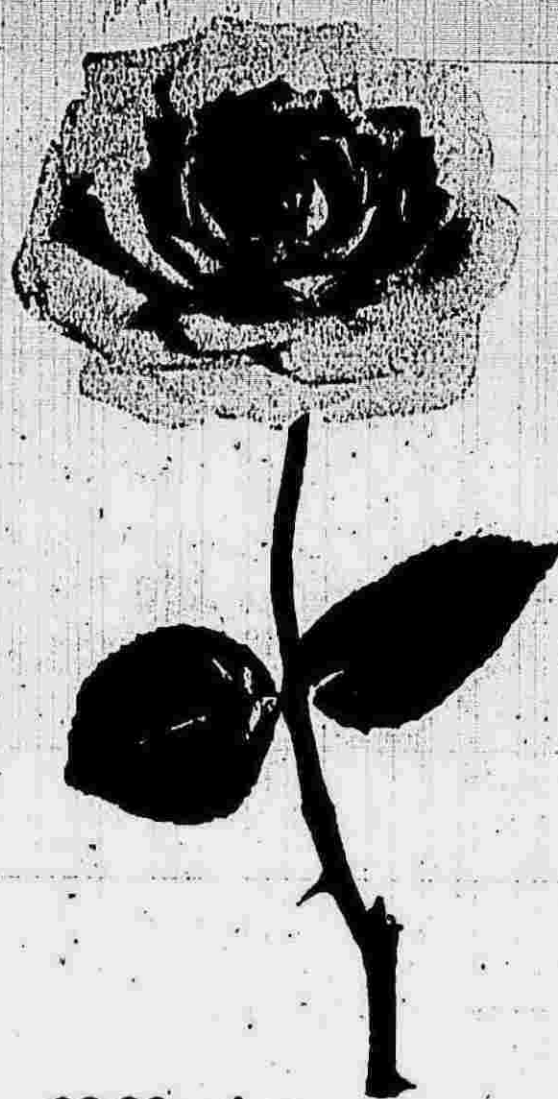

"Contrary to what many people think, New York has no hotel inside either of its airports," Cary noted. "International Hotel, which serves travelers to International Airport (Idlewild) is two miles from the field, and LaGuardia Airport, like O'Hare Field, has facilities adjacent to the airport."

The association contends that O'Hare Field already has better motel and hotel facilities than many major airports. In a number of cities, the nearest motel is two or three miles from the airfield. In Baltimore, it's four miles.

"Motels and hotels in the O'Hare Field area measure the distance in minutes, not miles, with courtesy cars serving the airport," Cary asserted.

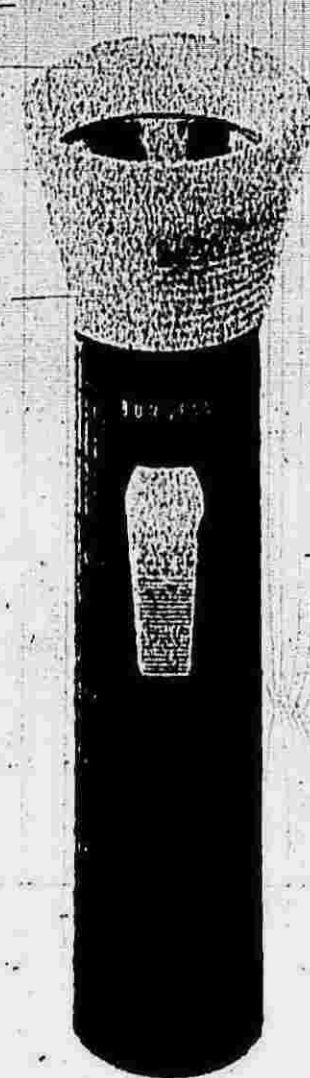

This research, showing how Chicago stacks up in comparison to other major airport cities, does more than prove that Mayor Daley is wrong about the prevalence of motels inside airports. The statistics prove that the O'Hare Field area already has motel and hotel facilities comparing favorably with anything in the U.S. There is no need for City Hall to move in. The job already is being done," Cary concluded.

The week of May 21-27 has been proclaimed as "National Highway Week" by President Kennedy in recognition of the vital role highways play in the American economy.
